To Whom It May Concern:

I am writing PUC in order to explain the current situation concerning our violation of 52 Pa. Code 29.333d and 29.314c. I have attached the \$250 fine that we paid upon receiving the notice of the violation. I apologize that the fine was paid late but business has been difficult lately and making ends meet is no longer as simple as it once was.

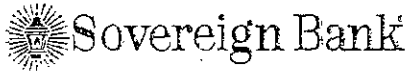

I have attached the copy of our original payment for the violation and ask you if it would be possible to drop the additional \$500 fine. Currently business is barely making enough money for our employees. If you could please allow us a pass on this fine, I promise to do everything in my power to ensure that such a violation never occurs again.

Sincerely

Roman Barkan
