**RE: Letter Of Notification Of PPL Electric Utilities Corporation, Filed Pursuant To 52 Pa. Code Chapter 57 Subchapter G, With Respect To The First Quality #4 138/69 kV Tap Line in Wayne Township, Clinton County, Pennsylvania
Docket No. A-2010-2216136**

Dear Secretary Chiavetta:

The purpose of this letter is to update certain information provided in the above referenced Letter of Notification. There, PPL Electric Utilities Corporation ("PPL Electric") stated that it was in the process of obtaining the necessary rights-of-way and easements for the proposed project and that it had reached agreements in principle with the landowners under which they would convey to PPL Electric rights-of-way and easements suitable for the transmission line. PPL Electric has now finalized the necessary agreements and has obtained the necessary rights-of-way and easements.

If there are any questions regarding this matter, please contact us.

Respectfully Submitted,

Jessica R. Rogers
