To Whom It May Concern;

Enclosed is a money order for \$500.00 for the civil penalty imposed upon me. I am paying this under duress. Until the person who has the authority has control over what is sent to the Commission regarding proof of insurance, I feel it is not a fair practice to penalize them. I also do not understand if there was a public meeting on February 24, 2011, why I was not notified so I could attend.
