REF: Emery and Assoc, Inc. c/o Edward Emery v PPL Electric Utilities Corp
No. C-2011-2226328

March 21st, 2011

Dear Ms. Chiavetta,

I no longer wish to continue pursuing my formal complaint to the PUC regarding the above captioned matter. I have since been informed that my wife had changed it without informing me. However, I do not agree that these electric companies' can just change suppliers with just your account number. There still should be added security measures so that this kind of thing does not happen anymore. Thank you very much for your time and efforts regarding this matter.

Sincerely,

Edward Emery
