Docket No. F – 2011 – 2229027

**Philadelphia Gas Works’
Preliminary Objections and
Motion to Strike Impertinent Matter**

Pursuant to 52 Pa. Code §5.101, the Philadelphia Gas Works (“PGW”) hereby files its Preliminary Objections to the Complaint filed in the above captioned matter on the grounds that the Commission lacks jurisdiction over the subject matter of the Complaint, and that the Complaint includes impertinent matter in its requested relief to remove (or forbear collection of) the lien, and moves to strike the requested relief as “impertinent matter” pursuant to 52 Pa. Code §§5.101(a)(1) and (2).

In support of its preliminary objection and motion to strike, PGW hereby avers the following:

1. On or about March 3, 2011, the Complainant filed a formal complaint against PGW with the Commission under the above captioned matter, regarding unpaid debt for gas service to 2532 Poplar Street, 2, Philadelphia, Pennsylvania (Subject Properties).
2. The Complainant avers that her tenant, Arthur Monroe, has gas service turned on at the Service Address illegally under David Fortt’s name.
3. For the period December 2006 through January 2011, David Fortt owed \$7,828.79 for unpaid gas service to the Subject Property under an account where David Fortt was the Customer of Record.
4. The City of Philadelphia, as owner of PGW, has filed a municipal lien upon the Subject Property for the unpaid debt for gas service to the Subject Properties on the accounts of the Complainant’s tenants, pursuant to the

Municipal Claim and Tax Lien Law, Act 153 of 1923, P.L. 207 53 P.S. §7101, *et seq.* (Municipal Lien Act), Under the Municipal Lien Act, the City of Philadelphia as owner of PGW has the right to collect on municipal claims owed to PGW for gas service to a Service Address.

5. The Complaint requests relief, presumably, in the form of a Commission order to PGW to remove the lien against the Subject Property.

6. Under the Commission's Rules of Administrative Practice and Procedure at 52 Pa. Code §5.101, the treatment of preliminary objections is comparable to that of Pennsylvania civil practice. (See: Order Sustaining Preliminary Objection in *Paul W. Fricker v. PECO Energy Company*, Docket No. C-2009-2094757 (May 21, 2009))

The Commission's regulations provide, in relevant part:

(a) *Grounds.* Preliminary objections are available to parties and may be filed in response to a pleading except motions and prior preliminary objections. Preliminary objections...must state specifically the legal and factual grounds relied upon and be limited to the following:

(1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding.

(2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter.
52 Pa. Code §5.101(a) (2)¹

7. In this case, as the Complaint states that the bills that are the subject of the liens were from gas service under the accounts of her tenant. The Complainant opines that under circumstances, she should not be held responsible.

8. Pursuant to the Natural Gas Choice and Competition Act, 66 Pa. C.S.A Section 2201 *et seq.*, section 2212(n), which specifically provides, "Nothing contained in this title shall abrogate the power of a city natural gas

distribution operation to collect delinquent receivables through the imposition of liens pursuant to section 3 of the act of May 16, 1923 (P.L. 207, No. 153), referred to as the Municipal Claim and Tax Lien Law, or otherwise.” Thus, under 66 Pa. C.S.A Section 2212(n), the Commission has no jurisdiction over the filing of such a lien.² *Cornelia Strowder v. Philadelphia Gas Works*, 2002 WL 32069511 (2002) (*Strowder*), *Debra Williams Lawrence v. Philadelphia Gas Works*, Docket Number C-20066672, Final Order entered January 22, 2007 (*Lawrence*), *Tina L. Francis-Young v. Philadelphia Gas Works*, Docket Number C-2008-2029672, Final Order entered February 23, 2009 (*Young*), *Dung Phat, LLC v. Philadelphia Gas Works*, Docket Number C-2009-2135667, Final Order entered January 13, 2010 (*Dung Phat*), *Nathaniel Lewis Mooney v. PGW*, Docket No. C-2009-2134673, Final Decision and Order entered January 13, 2010 (*Mooney*), *David Golan v. Philadelphia Gas Works*, Docket Number C-2009-2138115, Final Order entered February 4, 2010 (*Golan*), *2020 West Passyunk Avenue Inc. v. Philadelphia Gas Works*, Docket Number C-2009-2138727, Final Order entered February 4, 2010 (*2020 West Passyunk*), *Jean Charles v. Philadelphia Gas Works*, Docket Number C-2009-2138638, Final Order entered February 5, 2010 (*Charles*).

9. Pursuant to the Responsible Utility Customer Protection Act at 66 Pa. Cons. Stat. § 1414, which states: “[a] city natural gas distribution operation furnishing gas service to a property is entitled to impose or assess a municipal claim against the property and file as liens of record claims for unpaid natural gas distribution service and other related costs, including natural gas supply ...,” clarifies and confirms such rights to impose a lien.

10. The Complainant disputes the imposition of the lien because she did not incur the debt for gas service.

11. PGW had not held the Complainant personally responsible for the unpaid bill.

12. The nature of a lien is such that it encumbers the real estate, regardless who caused the event, which results in the imposition of a municipal

² 52 Pa. Code §5.101(a) (1)

claim. PGW may collect as a municipal claim, unpaid debt for gas service rendered, even when the gas service was not rendered to the owner of the property. *Newberry Township v. Ray Stambaugh*, 848 A.2d 173; (Pa. Cmwlth. 2000)

13. In the instant matter, the Complainant simply wishes to not be held responsible for the gas the Complainant did not use and for the Commission to order the removal of the lien.

14. A prayer for relief from a condition that does not exist (held personally responsible for unpaid balance for gas service rendered to another) is not recoverable in the cause of action before this Commission. It is irrelevant to the instant cause of action and therefore "impertinent matter" within the use and meaning of 52 Pa. Code §5.101(a) (2) and, should be stricken from the Complaint pursuant to Pa. Code §5.101(a) (2).

Wherefore, PGW respectfully requests that this Commission sustain PGW's preliminary objections to the Complaint and dismiss the Complaint for lack of jurisdiction and strike off the requested relief as impertinent matter.
