RE: Confirmation of Wholesale Supply Contracts - Filed as Confidential and Proprietary Information for Protective Order

Dear Secretary Chiavetta,

In accordance with Section 3 of the Commission's order adopted and dated January 13, 2011 granting HOP Energy, LLC its electric supplier license, we are providing a confidential and proprietary letter enclosed in the attached envelope, confirming that HOP Energy, LLC has entered into and executed certain wholesale supply agreements with a wholesale electric supplier that is a registered Load Serving Entity with the PJM Interconnection.

We are requesting that the confirmation letter in the enclosed envelope be filed for protective order as part of HOP Energy's previously submitted and approved electric supplier license application with the PA PUC.

We appreciate your consideration of our request for protective order of this very confidential letter related to our business.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen J. Fabiani", written over a horizontal line.
