RE: Docket A-110169

Dear Secretary Chiavetta:

Pursuant to your letter of March 25, 2011 at Docket M-2009-2082042, relative to "Requirements Applicable to Mixed Meter Scenarios; Energy Savers, Inc. requests the Pennsylvania Public Utility Commission expand our EGS License, A-110169, to include all classes of service including Residential and Small Commercial (25 KW and under demand) within the Commonwealth of Pennsylvania.

Per your letter, we understand it is not necessary to publish notice in newspapers of general circulation, as required for our original applications. Additionally, we have not submitted a disclosure statement; we will not be taking title to the electricity nor billing customers. In our roll as a Broker, we will be providing disclosure statements from the individual licensed entities we represent.

All other information contained in our original and amended applications remains unchanged.

Should you have questions or require additional information, please feel free to contact me at your convenience.

Sincerely,

James R. Behr
