RE: F. Burton Doerfler v. Duquesne Light Company
Docket No. C-2010-2185975

Dear Judge Hoyer:

Settlement discussions have continued between the parties, and Complainant met with Respondent's employee near his residence to review some of Complainant's concerns. Complainant remains concerned about the long term reliability of his circuit.

The parties request that this matter be continued again for four months, until August 12, 2011. During that time, Complainant will assess his reliability. If the reliability of his circuit is good during that time, Complainant told Respondent that his complaint would be satisfied.

Thank you for your consideration.

Sincerely,

Krysia Kubiak
Attorney for Duquesne Light Company
