**Re: PECO Default Service Program and Mitigation Plan, Docket  
No. P-2008-2062739; PECO List of Customers Receiving a CAP Credit in  
Excess of the Applicable Maximum CAP Benefit Amount**

Dear Secretary:

In Paragraph 74 of the Commission-approved settlement in the above-noted proceeding (the "DSP Settlement"), PECO agreed to provide the following information:

Beginning in 2010, PECO will generate a list by March 31 of each year identifying those CAP customers that individually received benefits in the prior calendar year greater than the then-applicable maximum CAP benefit amount, as set forth at 52 Pa. Code § 69.265(3)(v), as that amount may be revised by the Commission from time-to-time. The list will include the customer's usage, discount level, and CAP tier.

On March 31, 2010, PECO provided the requisite list for 2009 by a letter filing in this docket.

Later in 2010, the Commission approved certain changes to the applicable maximum CAP benefit amount as applied to PECO. Specifically, in the Settlement of PECO's Electric Base Rate Case Proceeding (R-2010-2161575), Exhibit 4, paragraph 2, the parties agreed, and the Commission approved, an approach in which PECO would escalate the maximum CAP benefit amount for its electric CAP rate to reflect changes in the Consumer Price Index after August 30, 2007. A similar arrangement was approved in PECO's Gas Base Rate Case Proceeding (R-2010-2161592).

Consequently, the maximum CAP benefit amounts now in use for the PECO CAP rate are:

Electric Rate R: \$736  
Electric Rate RH: \$1891  
Gas: \$1051

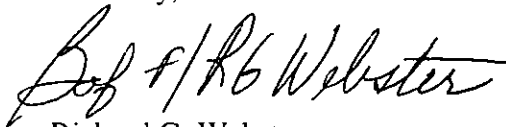

PECO has generated the required 2010 list using those values for maximum CAP benefit amounts. In 2010, there were a total of 19,228 PECO CAP accounts that met this criterion. The following table provides the total number of accounts by rate designation for the 2010 calendar year that individually received benefits greater than the applicable maximum CAP benefit amount.

<b>CAP Tier</b>	<b>Gas</b>	<b>Electric Non-Heating</b>	<b>Electric Heating</b>
CAP A – 0 – 25% FPL	Included in B <sup>1</sup>	23	1
CAP B – 0 – 25% FPL	224	4,694	0
CAP C – 26 – 50% FPL	224	7,811	2
CAP D – 51 – 100% FPL	45	6,161	0
CAP E – 101 – 150% FPL	0	43	0
<b>Total</b>	<b>493</b>	<b>18,732</b>	<b>3</b>

<sup>1</sup>There was no individual CAP Rate A for Gas in 2010

This information is being provided to the Commission and to the DSP Settlement signatories, as set forth in the attached certificate of service. If you or any of the other recipients of this letter have any questions, please contact me at 215-841-6863.

Sincerely,

Richard G. Webster
