PUC
Dugiesne Light

DEAR SIR,

I would like to
appeal the PUC Decision
that ruled against me. The reasons
are 1. I felt it unfair
that D. Light sent me
a letter that I had to send
in a copy of my bank acct.
transactions. I sent them.
Then I get a letter from
the agent running our
case that I was not supposed
to send it but I had already
done that. But in the
hearing he let her use
that against me.
