PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

Dear Argo Georgandis:

We are pleased that Cokinos Natural Gas Company ("Cokinos") has applied for a license to provide Natural Gas Supply Service on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Columbia Gas Tariff, Cokinos Natural Gas Company could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. We have determined at this time that Cokinos does not need a bond or other financial security requirement to provide Natural Gas Supply Service to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Cokinos changes in the future, Columbia Gas might deem it appropriate to require Cokinos to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-5554 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Heather Bauer
VP, Commercial Operations
