Re: DOCKET NO: C-2011-2213374

RECEIVED

MAY 6 2011

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

To Whom It May Concern:

I would like to contest the ruling and request a hearing. As noted on the docket, Officer Troxell came by my office on January 31, 2011, requesting information about a driver. He gave a description of the driver and his vehicle, and I was able to determine that it was Mr. Steven Weist, based upon the information he provided. Officer Troxell then asked for his driver log for December 2, 2010. Mr. Weist did not turn in a driver's log for that date.

In order to respond to the request of Officer Troxell, I immediately went to the airport (we have an exclusive contract with Harrisburg International Airport and keep our own log of all trips departing from the airport) to pickup the airport log sheets. I returned to my office and showed Officer Troxell the logs documenting the trips for the said date. After discussing the situation, I felt it was appropriate to dismiss the driver for the offense, and let him go that day. Due to his dismissal, Mr. Weist did not turn in any additional log sheets; and therefore, I still do not have the log sheet for that day. Since Officer Troxell visited the office, I believed that the situation was resolved. However, I now understand that the issue was not resolved. Therefore, the reason for my request to review the details in a hearing.

I appreciate your assistance and understanding regarding this matter. Please call me if you have any questions.

Sincerely,

Lamont Palmer
