Dear Rosemary Chiavetta, Secretary,

I Cassio Wright am writing a written response to the (The Perjurer) Peco Electric Company.

Peco (The Perjurer) said, "unable to pay her (Cassio Wright) Electric Bill." The Truth is:

I've been paying \$100.00 a month on my electric bill since July 2010. In addition, during the warmer months my electric Bill is only about \$30.00 a month.

" Peco (The Perjurer) said, that the outside wire is cause by the service entrance cable.

The Truth is: A Peco Worker put tape on the top of this same wire, "He said it should work now, because I put tape on it, Real good." In addition, it did work for a while until it thunderstormed.

" A Diagram draw is enclosed.

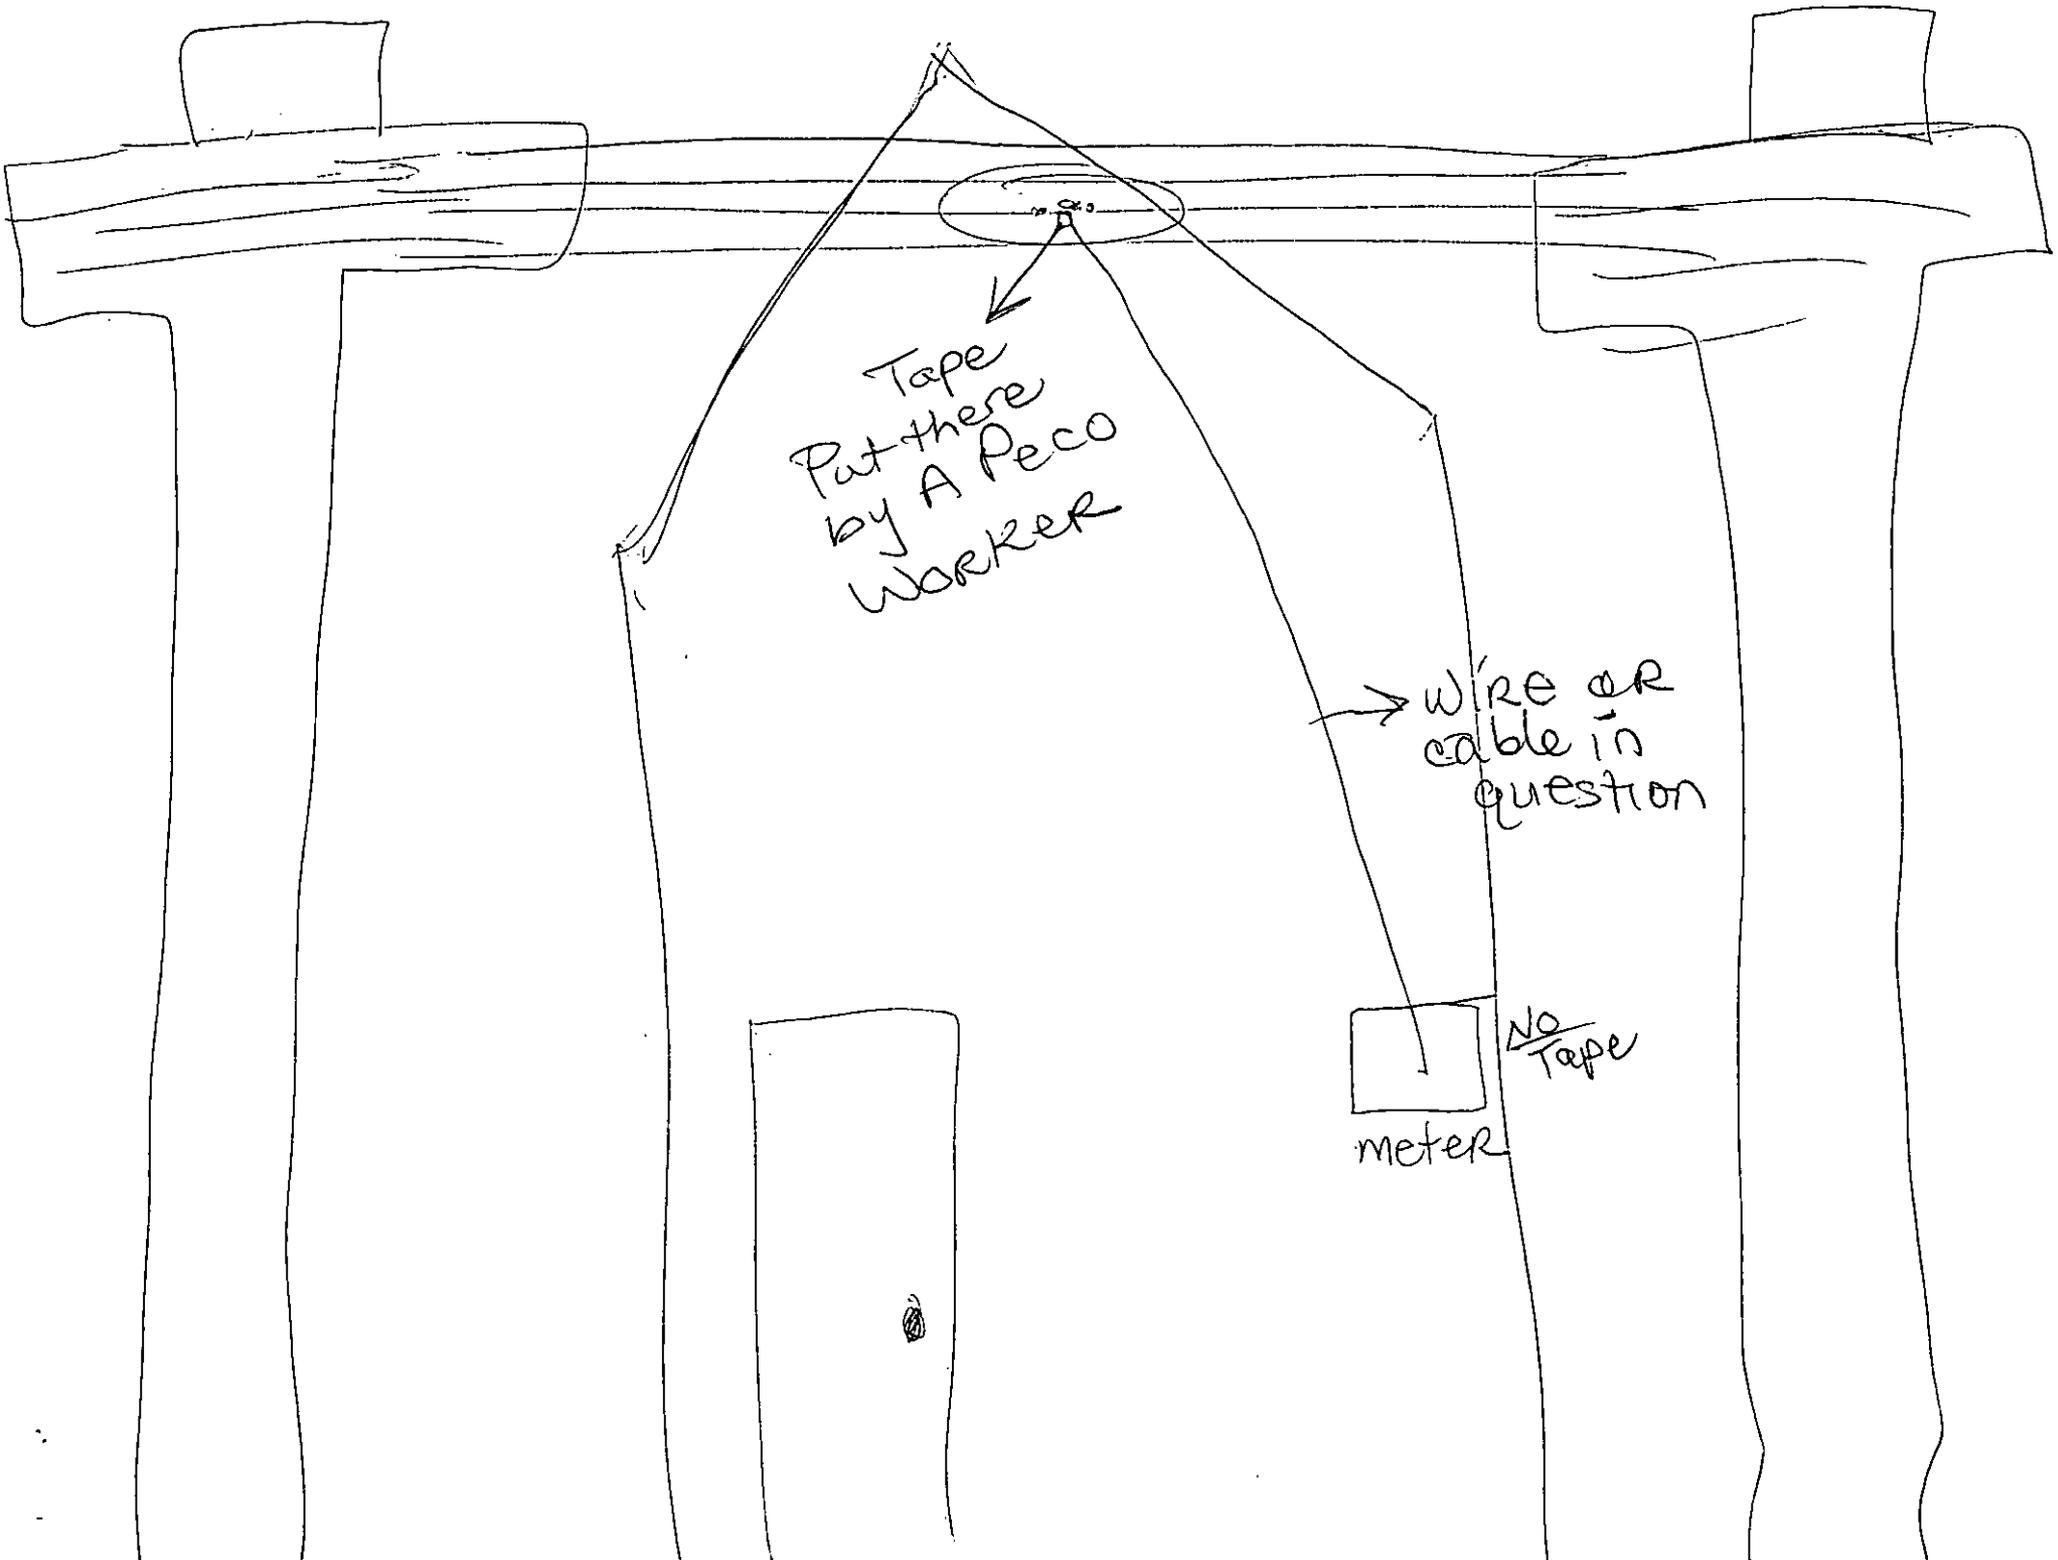

Peco (The Perjurer) said, that
i have not been a participant
of their Cap Rate Program since
August 2010. The Truth is:

During my last appeal (After August 2010)
Peco Electric Company was
found quoting that i was
currently on their Cap Rate
Program. Therefore, this
statement is Perjury.

In closing, Ms. Rosemary
how can i win. When Peco
has now perjured itself.

Very, Very Sincerely,

Cassie Wright
