If you do not qualify for a Link-up credit, you may purchase a phone and still receive the monthly Lifeline credit provided you meet those eligibility criteria.

**Termination of Services:** You may terminate any line of service by calling us. We reserve the right to cancel offers early or extend offers without notice. Certain offers may not be available everywhere or be combinable with other promotions/options. Coverage is not available everywhere and varies by service - see mapping brochures or visit [www.tagmobile.net](http://www.tagmobile.net) for coverage details. Fees paid for Services and/or Devices are inclusive of most government taxes and fees, and TAG Surcharges [incl. USF charge (varies quarterly), cost recovery and administrative fees, & state/local fees by area], with the exception of local sales tax which is applied to the purchase of replenishment plans or other Services or Devices that are purchased at retail locations or on our website. TAG Surcharges are not taxes or government required charges and are subject to change. Up to a \$60 phone activation fee applies to new activations. A reconnect fee may apply to reestablish service on accounts that have been deactivated. Our services will only work with our phones - not all services are available with all phones or on all networks. Service charges are not refunded or prorated if service is terminated or modified. All phone usage, including incoming/outgoing calls, incurs airtime charges unless specified otherwise. On calls

that cross time periods, minutes are generally deducted or charged based on the call start time. Unused plan minutes do not carry forward and expire at midnight of the monthly service renewal date as determined by your activation date. Partial minutes of use are rounded up to the next whole minute.

**Nature of our Service.** Our rate plans, customer devices, services and features are not for resale and are intended for reasonable and non-continuous use by a person using a device on TAG's networks.

**Prohibited Network Uses.** To ensure the activities of some users do not impair the ability of our customers to have access to reliable services provided at reasonable costs, you may not use our services in a manner that is unlawful, infringes on intellectual property rights, or harms or unduly interferes with the use of TAG's network or systems. TAG reserves the right, without notice or limitation, to limit data throughput speeds or quantities or to deny, terminate, end, modify, disconnect, or suspend service if an individual engages in any of the prohibited voice or data uses detailed below or if TAG, in its sole discretion, determines action is necessary to protect its wireless networks from harm or degradation.

**Examples of prohibited voice uses:** TAG voice services are provided solely for live dialogue between, and initiated by, individuals for personal use and as otherwise described in this policy. TAG services may not be used for any other purposes, including, but not limited to: monitoring services, transmission of broadcasts, transmission of recorded material, telemarketing, autodialed calls, other commercial uses, or other connections that do not consist of uninterrupted live dialogue between individuals.

**Examples of prohibited data uses:** TAG data services are provided solely for purposes of web surfing, sending and receiving email, photographs and other similar messaging activities, and the non-continuous streaming of videos, downloading of files or on line gaming. Our data services may not be used:

- (1) to generate excessive amounts of Internet traffic through the continuous, unattended streaming, downloading or uploading of videos or other files or to operate hosting services including, but not limited to, web or gaming hosting;
- (2) to maintain continuous active network connections to the Internet such as through a web camera or machine-to-machine connections that do not involve active participation by a person;
- (3) to disrupt email use by others using automated or manual routines, including, but not limited to "auto-responders" or cancel bots or other similar routines;
- (4) to transmit or facilitate any unsolicited or unauthorized advertising, telemarketing, promotional materials, "junk mail", unsolicited commercial or bulk email, or fax;
- (5) for activities adversely affecting the ability of other people or systems to use either TAG's wireless services or other parties' Internet-based resources,

- including, but not limited to, "denial of service" (DoS) attacks against another network host or individual user;
- (6) for an activity that connects any device to Personal Computers (including without limitation, laptops), or other equipment for the purpose of transmitting wireless data over the network (unless customer is using a plan designated for such usage); or
  - (7) for any other reason that, in our sole discretion violates our policy of providing service for individual use.

**Unlimited Use Plans.** If you subscribe to rate plans, services or features that are described as unlimited, you should be aware that such "unlimited" plans are subject to these Prohibited Network Uses.

Please refer to TAG's AUP for additional information on prohibited use.

**Messaging (text, picture and video):** Messaging rates are subject to change. Standard message rates are charged when a message is sent or received, whether read or unread, viewed or unviewed, solicited or unsolicited. Unused plan messages do not carry forward. Certain messages, including those to 3rd parties to participate in a promotion or other program, may require an alternate method of payment and are unable to be billed through the service. There is no guarantee that messages will be received, and TAG is not responsible for lost or misdirected messages. Most text messages are limited to 160 characters.

**E-Mail:** Wireless access to corporate/employee email may require additional server or server access, licenses, or additional requirements which may not be available with TAG Service Plans.

**Data:** Services are not available with all TAG phones. The amount of data transmitted over our network is measured in kilobytes (KB), megabytes (MB) or gigabytes (GB). Unless specified otherwise 1024KB equals 1MB. 1024MB equal 1GB. Usage is calculated on a per kilobyte, megabyte or gigabyte (depending on your plan) basis and is rounded up to the next whole kilobyte, megabyte or gigabyte. Rounding occurs at the end of each session or each clock hour and at which time we deduct accumulated usage from your plan. You are responsible for all data activity from and to your device, regardless of who initiates the activity. Estimates of data usage will vary from actual use. Premium content (games, ringtones, songs, etc.) is priced separately and will require an alternate method of payment. Services are not available for use in connection with server devices or host computer applications, other systems that drive continuous heavy traffic or data sessions, or as substitutes for private lines or frame relay connections. We reserve the right to deny or terminate service without notice for any misuse or any use that adversely affects network performance. Availability of downloadable or streaming content is subject to change, including but not limited to television channels and radio stations.

**Off-network Roaming:** The primary use of your Device must be for domestic purposes within the TAG network. Domestic means use in the 50 United States and U.S. Territories (except Guam). Roaming is not available with single-band phones, and may not be available to customers who reside or whose primary use is outside an area covered by the TAG Network. Data services and certain calling features (Voicemail, Caller ID, Call Waiting, etc.) may not be available in all roaming areas. TAG reserves the right to deny, terminate, modify, disconnect or suspend service if the majority of minutes or kilobytes are used for roaming.

**International Roaming:** International calling and roaming, including in Canada, Mexico, and Guam are not included in TAG Service Plans. International calling and roaming usage will require an alternate payment method. Data services and certain calling features (Voicemail, Caller ID, Call Waiting, etc.) may not be available in all roaming areas. TAG reserves the right to deny, terminate, modify, disconnect or suspend service if the majority of minutes or kilobytes are used for international roaming.

**International Long Distance and Messaging:** Access to international service is available on the TAG network through an international operator service. In order to make international long-distance calls, including to Mexico and Guam, and in certain cases to send international text, an alternate payment method is required.

**Domestic (U.S.):** Includes the 50 United States, Washington D.C., Puerto Rico, and the Virgin Islands.

### Basic Definitions

In this document:

- (1) "we," "us," "our," and "TAG" mean TAG Mobile, LLC and its affiliates;
- (2) "you," "your," "customer," and "user" mean an account holder or user with us;
- (3) "Device" means any phone, aircard, mobile broadband device, any other device, accessory or other product we sell to you or that is active on your account with us; and
- (4) "Service" means our offers, rate plans, options, wireless Service Plans or Devices on your account with us.

### Services Covered by These T's & C's & Additional Terms

These T's & C's apply to our standard wireless Service Plans and any other Service we offer you that references these T's & C's. Additional terms will apply to certain Devices and applications (the terms may come from TAG or a third party) and will be provided with the Device or prior to the use of the application, as applicable. Also, a different dispute resolution provision may apply to services provided by another company (the dispute resolution provisions in this Agreement still apply to our Services).

### Our Policies

Services are subject to our business policies, practices and procedures ("Policies"). You agree to adhere to all of our Policies when you use our Services. Our Policies are subject to change at any time with or without notice.

### Pre-Paid Services

All TAG Services are provided on a pre-paid basis. TAG does not condition the provision of Service on a consumer's credit rating, credit history or other method of determining credit worthiness. TAG does not provide your payment history and other account billing/charge information to any credit reporting agency or industry clearinghouse. You aren't responsible for paying any early termination fee when terminating Services and no deposits are held or required as a condition of Service nor does TAG have any preset account spending limits.

### Our Right To Change The Agreement & Your Related Rights

We may change any part of the Agreement at any time, including, but not limited to, rates, charges, how we calculate charges, or the ToS. We will provide you notice of material changes, and may provide you notice of non-material changes, in a manner consistent with the Agreement (see "Providing Notice To Each Other Under The Agreement" section).

### **Our Right To Suspend Or Terminate Services**

We can, without notice, suspend or terminate any Service at any time for any reason, including, but not limited to:

- (1) harassing/threatening/abusing/offending our employees or agents;
- (2) providing false, inaccurate, dated or unverifiable identification or information;
- (3) interfering with our operations;
- (4) using/suspicion of using Services in any manner restricted by or inconsistent with the Agreement;
- (5) breaching the Agreement or failing to follow our Policies;
- (6) modifying a Device from its manufacturer specifications;
- (7) failing to use our Services for an extended period of time;
- (8) failing to maintain an active Device in connection with the Service; or
- (9) if we believe the action protects our interests, any customer's interests or our network.

### **Your Right To Change Services & When Changes Are Effective**

The account holder can typically change Services upon request. In some instances, changes may be conditioned on payment of certain charges. Changes to Services are usually effective at the start of the next monthly service renewal date. We may, but are not obligated to, provide you the opportunity to authorize someone else to make changes to your Services. You are responsible for any changes to your Services made by a person you authorize and those changes will be treated as modifications to the Agreement.

### **Your Right To Terminate Services**

You can terminate Services at any time by calling us and requesting that we deactivate all Services. In addition, if you return or provide your Device to TAG and fail to either deactivate service on the Device or activate another Device in connection with your Service, we reserve the right to terminate your Service. You are responsible for all charges incurred prior to termination. If Services are terminated before your next monthly service renewal date, we won't prorate charges to the date of termination and you won't receive a credit or refund for any unused Services.

### **Restrictions On Using Services**

You can't use our Services:

- (1) in a way that could cause damage or adversely affect any of our other customers or our reputation, network, property or Services; or
- (2) in any way prohibited by the terms of our Service Plans, the Agreement or our Policies. You cannot in any manner resell the Services to another party.

See our AUP for additional restrictions on the use of our Services.

### **Your Device, Number & E-mail Address; Caller ID**

We don't manufacture any Device we might sell to you or that is associated with our Services, and we aren't responsible for any defects, acts or omissions of the manufacturer. The only warranties on your Device are the limited warranties given to you by the manufacturer directly or that we pass through. Your Device is designed to be activated on the TAG network and in other coverage areas we make available to you. As programmed, it will not accept wireless service from another carrier. Except for any legal right you may have to port/transfer your phone number to another carrier, you have no and cannot gain any (for example, through publication, use, etc.) proprietary, ownership or other rights to any phone number, identification number, e-mail address or other identifier we assign to you, your Device or your account. We'll notify you if we decide to change or reassign them. Your TAG phone has a software programming lock that protects certain of the handset's operating parameters against unauthorized reprogramming.

### **Porting/Transferring Phone Numbers**

We don't guarantee that number transfers to us will be successful. Further, in transferring a number to TAG from another carrier, you are solely responsible for all charges billed or incurred prior to deactivation of service with your prior carrier and for any applicable early termination fees assessed by your prior carrier. TAG does not offer the ability to transfer a number away from us to another carrier.

### **Coverage; Where Your Device Will Work; Service Speeds**

Our coverage maps are available on our website. The specific network coverage you get will depend on the radio transmissions your Device can pick up and Services you've chosen. Our coverage maps provide high level estimates of our coverage areas when using Services outdoors under optimal conditions. Coverage isn't available everywhere and Service speeds are not guaranteed. Service speeds may depend on the Service purchased. Actual speeds will vary. Estimating wireless coverage, signal strength and Service speed is not an exact science. There are gaps in coverage within our estimated coverage areas that, along with other factors both within and beyond our control (network problems, network or internet congestion, software, signal strength, your Device, structures, buildings, weather, geography, topography, server speeds of the websites you access, etc.), may result in dropped and blocked connections, slower Service speeds, or otherwise impact the quality of Service. Services that rely on location information, such as E911 and GPS navigation, depend on your Device's ability to acquire satellite signals (typically not available indoors) and network coverage. While your Device is receiving a software update, you may be unable to use your Device in any manner until the software update is complete.

### **Roaming**

The term "roaming" typically refers to coverage on another carrier's network that we may make available to you based on our agreements with other carriers. These agreements may change from time to time and roaming coverage is subject to change. Your ability to receive roaming coverage depends on the radio transmissions your Device can pick up and the availability of roaming coverage. TAG makes no

guaranty that roaming coverage will be available in all areas, and further, roaming may not be available to customers who reside or whose primary use is outside an area covered by the TAG Network. Roaming coverage may exist both within and outside our network coverage areas. Your Device will generally indicate when you're roaming. Depending on your Services, limits on the amount of minutes used while roaming may apply. Certain Services may not be available or work the same when roaming (including data Services, voicemail, call waiting, etc.). TAG reserves the right to deny, terminate, modify, disconnect or suspend service if the majority of minutes or kilobytes are used for roaming.

### **About Data Services & Content**

TAG's data Services and your Device may allow you to access the internet, text, pictures, video, games, graphics, music, email, applications, sound and other materials ("Data Content") or send Data Content elsewhere. Some Data Content is available from us or our vendors, while other Data Content can be accessed from others (third party websites, games, ringtones, etc.). We make absolutely no guarantees about the Data Content you access on your Device. Data Content may be unsuitable for children/minors, unreliable or inaccurate, or offensive, indecent or objectionable. You're solely responsible for evaluating the Data Content accessed by you or anyone on your account. We strongly recommend you monitor data usage by children/minors. Data Content from third parties may also harm your Device or its software. To protect our network, Services, or for other reasons, we may place restrictions on accessing certain Data Content (such as certain websites, applications, etc.), limit throughput or the amount of data you can transfer, or otherwise limit or terminate Services. If we provide you storage for Data Content you have purchased, we may delete the Data Content with notice or place restrictions/limits on the use of storage areas. You may not be able to make or receive voice calls while using data Services. Data Content provided by our vendors or third parties is subject to cancellation or termination at any time without notice to you and you may not receive a refund for any unused portion of the Data Content.

### **Specific Terms & Restrictions On Using Data Services**

In addition to the rules for using all of our other Services, unless we identify the Service or Device you have selected as specifically intended for that purpose (for example, wireless routers, Data Link, etc.), you can't use our data Services:

- (1) with server devices or host computer applications, or other systems that drive continuous heavy traffic or data sessions;
- (2) as a substitute or backup for private lines or frame relay connections; or
- (3) for any other unintended use as we determine in our sole discretion.

We reserve the right to limit, suspend or constrain any heavy, continuous data usage that adversely impacts our network performance or hinders access to our network. If your Services include web or data access, you also can't use your Device as a modem for computers or other equipment, unless we identify the Service or Device you have selected as specifically intended for that purpose.

### **Activation & Miscellaneous Charges**

Based on our Policies, we may charge activation, prepayment, reactivation, program or other fees to establish or maintain Services. Certain transactions may also be subject to a charge (for example, convenience payment, changing phone numbers, handset upgrades, etc.). You will be provided notice of these types of fees before we complete the requested transaction.

### **Account & Service Charges**

You are responsible for all charges associated with your account and the Services on your account, no matter who adds or uses the Services. Charges include, but are not limited to, usage charges, charges for additional services, taxes, surcharges and fees associated with your Services. These charges are described or referred to during the sales transaction, in our marketing materials, and in confirmation materials we may send to you. Depending on your Services, charges for additional services may include operator and directory assistance, voicemail, call forwarding, data calls, texts and web access. If you (the account holder) allow end users to access or use your Devices, you authorize end users to access, download and use Services. For Services offered on a per-day basis, you will generally be charged for use before or at the time of use. In certain instances, we may charge at some point after you use the Services. Services offered on a per-day basis end 24 hours after Service is initiated

### **How We Calculate Your Usage For Decrementing Purposes**

**Regular Voice Calls:** We round up partial minutes of use to the next full minute after the first 30 seconds. Time starts when you press "Talk" or your Device connects to the network and stops when you press "End" or the network connection otherwise breaks. You're decremented minutes for all calls that connect, even to answering machines. Minutes won't be decremented for unanswered calls or if you get a busy signal. For incoming calls answered, minutes are decremented from the time shortly before the Device starts ringing until you press END or the network connection otherwise breaks.

**Text Messaging:** The rate to receive or send a text message to another phone is 1 minute per 3 text messages sent or received and applies when text messaging is not an included component of a Service Plan or when all text messages included in a Service Plan have been used. Plan minutes are not decremented until the third text message is either sent or received, and rounding does not apply.

**Data Usage:** Unless we specifically tell you otherwise, data usage is measured in bytes, kilobytes, megabytes, and gigabytes - not in minutes/time. 1024 bytes equals 1 kilobyte ('KB'), 1024 KB equals 1 megabyte, and 1024 megabytes equals 1 gigabyte. Bytes are rounded up to kilobytes, so you will be decremented at least 1 KB for each data usage session ('data session'). Rounding occurs at the end of each data session, and sometimes during a data session. Depending on your data Services you may be subject to limitations on the amount of data usage. Data Services decrement for all data directed to your Device's internet address, including data sessions you did not initiate and for incomplete transfers. As long as your Device is connected to our data

network, data usage will be decremented. Examples of data usage decremented for include the size of a requested file or Data Content (game, ringtone, etc.), web page graphics (logos, pictures, banners, advertisement, etc.), additional data used in accessing, transporting and routing the file on our network, data from partial or interrupted downloads, re-sent data, and data associated with unsuccessful attempts to reach websites or use applications. Data used and decremented will vary widely, even between identical actions or data sessions. Estimates of data usage - for example, the size of downloadable files - are not reliable predictors of actual usage.

### **Taxes & Government Fees**

You agree to pay all federal, state and local taxes, fees and other assessments that are required by law to be collected and remitted to the government on the Services and/or Devices provided to you. These charges may change from time to time without advance notice.

### **Surcharges**

You agree to pay all surcharges ("Surcharges"), which may include, but are not limited to: Federal Universal Service, various regulatory charges, TAG administrative charges, gross receipts charges, and charges for the costs we incur in complying with governmental programs. Surcharges are not taxes and are not required by law. They are rates we choose to collect from you and are kept by us in whole or in part. The number and type of Surcharges may vary depending upon the location of the billing address of the Device and can change over time. We determine the rate for these charges and these amounts are subject to change as are the components used to calculate these amounts. We will provide you notice of any changes to Surcharges in a manner consistent with this Agreement (see "Providing Notice To Each Other Under The Agreement" section). However, since some Surcharges are based on amounts set by the government or based on government formulas, it will not always be possible to provide advance notice of new Surcharges or changes in the amount of existing Surcharges. Information on Surcharges is provided during the sales transaction.

### **Customer Service**

If you have a service or billing problem or inquiry, you may contact TAG's Customer Service Department toll free at (877) 564-6374. We will make all reasonable attempts to resolve your problem or inquiry. In the event the Customer Service Department is unable to resolve your issue, your dispute will be escalated to the Complaint Department. In the event that the Complaint Department is unable to resolve your issue, the Dispute Resolution provisions of this Agreement will apply.

### **Protecting Our Network & Services**

We can take any action to:

- (1) protect our network, our rights and interests, or the rights of others; or
- (2) optimize or improve the overall use of our network and Services.

Some of these actions may interrupt or prevent legitimate communications and usage, for example message filtering/blocking software to prevent SPAM or viruses, limiting throughput, limiting access to certain websites, applications or other Data Content, prohibitions on unintended uses (for example, use as a dedicated line, or use as a monitoring service), etc. For additional information on what we do to protect our customers, network, Services and equipment, see our AUP.

#### **Your Privacy**

Our Privacy Policy is available on our website. To review the policy, visit [www.tagmobile.net](http://www.tagmobile.net). This policy may change from time to time, so review it with regularity and care.

#### **Call Monitoring:**

To ensure the quality of our Services and for other lawful purposes, we may monitor or record calls between us (for example, your conversations with our customer service or sales departments).

#### **Contact:**

You agree that we may contact you for Service related reasons through the contact information you provide, through the Services or Devices to which you subscribe or through other available means, including text message, email, fax, recorded message, mobile, residential or business phone, or mail.

**CPNI:** As we provide telecommunications products and Services to you (the account holder), we develop information about the quantity, technical configuration, type and destination of telecommunications products and Services you use, as well as some other information ("CPNI"). Under federal law, you have the right, and we have a duty, to protect the confidentiality of your CPNI. For example, we implement safeguards that are designed to protect your CPNI, including authentication procedures when you contact us.

**Third Party Applications:** If you use a third party application, the application may access, collect, use or disclose your personal information or require TAG to disclose your information, including location information (when applicable), to the application provider or some other third party. If you access, use or authorize third party applications through the Services, you agree and authorize TAG to provide information related to your use of the Services or the application(s). You understand that your use of third party applications is subject to the third party's terms and conditions and policies, including its privacy policy.

#### **Information on Devices:**

Your Device may contain sensitive or personal information. TAG is not responsible for any information on your Device, including sensitive or personal information. If possible, you should remove or otherwise safeguard any sensitive or personal information when your Device is out of your possession or control, including, but not limited to, relinquishing, exchanging, returning or recycling your Device. By

submitting your Device to us, you agree that our employees, contractors or vendors may access all of the information on your Device.

### **Location Based Services**

Our network generally knows the location of your Device when it is outdoors and/or turned on. By using various technologies to locate your Device, we can provide enhanced emergency 911 (“E-911”) services, and optional location-sensitive services provided by us or a third party. Network coverage or environmental factors (such as structures, buildings, weather, geography, landscape, and topography) can significantly impact the ability to access your Device’s location information and use of location-sensitive services.

You agree that any authorized user may access, use or authorize TAG or third party location sensitive applications through the Services. You understand that your use of such location sensitive applications is subject to the application’s terms and conditions and policies, including its privacy policy. If you activate location sensitive services for devices used by other authorized users, you agree to inform the authorized user(s) of the terms of use for location sensitive applications and that the Device may be located. For additional information on location-sensitive services, see our Privacy Policy at our website.

### **911 Or Other Emergency Calls**

Public Safety Officials advise that when making 911 or other emergency calls, you should always be prepared to provide your location information. Unlike traditional wireline phones, depending on a number of factors (for example, whether your Device is GPS enabled, where you are, whether local emergency service providers have upgraded their equipment, etc.), 911 operators may not know your phone number, your location or the location of your Device. In certain circumstances, an emergency call may be routed to a state patrol dispatcher or alternative location set by local emergency service providers. E911 service, where enabled by local emergency authorities, uses GPS technology to provide location information. Even when available, however, E911 does not always provide accurate location information. If your Device is indoors or for some other reason cannot acquire a satellite signal, you may not be located. Some Devices have a safety feature that prevents use of the keypad after dialing 911 - you should follow voice prompts when interacting with emergency service providers employing IVR systems to screen calls.

### **If Your Device Is Lost Or Stolen**

Call us immediately if your Device is lost or stolen because you may be responsible for usage occurring before you notify us of the alleged loss or theft. You agree to cooperate if we choose to investigate the matter (provide facts, sworn statements, etc.). We will not prorate charges to the date of termination and you won’t receive a credit or refund for any unused Services if you choose to terminate Services as a result of loss or theft of your Device.

### **Disclaimer of Warranties**

WE MAKE NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING (TO THE EXTENT ALLOWED BY LAW) ANY IMPLIED WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE CONCERNING YOUR SERVICES (INCLUDING YOUR DEVICE). ### **You Agree We Are Not Responsible For Certain Problems**

## DISPUTE RESOLUTION

### We Agree To First Contact Each Other With Any Disputes

We each agree to first contact each other with any disputes and provide a written description of the problem, all relevant document//information and the proposed resolution. We agree to contact each other as described in the Providing Notice to Each Other Under The Agreement section of the T's & C's.

### Instead Of Suing In Court, We Each Agree To Arbitrate Disputes

We each agree to finally settle all disputes (as defined and subject to any specific exceptions below) only by arbitration. In arbitration, there's no judge or jury and review is limited. However, just as a court would, the arbitrator must honor the terms and limitations in the Agreement and can award the same damages and relief, including any attorney's fees authorized by law. The arbitrator's decision and award is final and binding, with some exceptions under the Federal Arbitration Act ("FAA"), and judgment on the award may be entered in any court with jurisdiction. We each also agree as follows:

- (1) "Disputes" are any claims or controversies against each other related in any way to our Services or the Agreement, including, but not limited to, coverage, Devices, privacy, or advertising, even if it arises after Services have terminated - this includes claims you bring against our employees, agents, affiliates or other representatives, or that we bring against you.
- (2) If either of us wants to arbitrate a dispute, we agree to send written notice to the other providing a description of the dispute, previous efforts to resolve the dispute, all supporting documents/information, and the proposed resolution. Notice to you will be sent as described in the Providing Notice to Each Other Under The Agreement section of the T's & C's and notice to us will be sent to: Tag Mobile, LLC, Attn: General Counsel; 1330 Capital Parkway, Carrollton, TX 75006. We agree to make attempts to resolve the dispute. If we cannot resolve the dispute within forty-five (45) days of receipt of the notice to arbitrate, then we may submit the dispute to formal arbitration.
- (3) The FAA applies to this Agreement and arbitration provision. We each agree the FAA's provisions, not state law, govern all questions of whether a dispute is subject to arbitration.
- (4) Unless we each agree otherwise, the Arbitration will be conducted by a single neutral arbitrator and will take place in the county of the last billing address of the Device. We will agree on the arbitrator, and if we cannot agree, then the arbitrator will be appointed by the court as provided by the FAA.
- (5) The arbitration will be governed by the arbitration rules selected by the Arbitrator. The federal or state law that applies to the Agreement will also apply during the arbitration.
- (6) We each agree not to pursue arbitration on a classwide basis. We each agree that any arbitration will be solely between you and us (not brought on behalf of or together with another individual's claim). If for any reason any court or arbitrator holds that this restriction is unconscionable or unenforceable, then

our agreement to arbitrate doesn't apply and the dispute must be brought in court.

- (7) We each are responsible for our respective costs relating to counsel, experts, and witnesses, as well as any other costs relating to the arbitration. However, we will cover any arbitration administrative or filing fees above:
- a. \$25 if you are seeking less than \$1,000 from us; or
  - b. the equivalent court filing fees for a court action in the appropriate jurisdiction if you are seeking \$1,000 or more from us.

#### **Exceptions To Our Agreement To Arbitrate Disputes**

Either of us may bring qualifying claims in small claims court. In addition, this arbitration provision does not prevent you from filing your dispute with any federal, state or local government agency that can, if the law allows, seek relief against us on your behalf.

#### **No Class Actions**

TO THE EXTENT ALLOWED BY LAW, WE EACH WAIVE ANY RIGHT TO PURSUE DISPUTES ON A CLASSWIDE BASIS; THAT IS, TO EITHER JOIN A CLAIM WITH THE CLAIM OF ANY OTHER PERSON OR ENTITY, OR ASSERT A CLAIM IN A REPRESENTATIVE CAPACITY ON BEHALF OF ANYONE ELSE IN ANY LAWSUIT, ARBITRATION OR OTHER PROCEEDING.

#### **No Trial By Jury**

TO THE EXTENT ALLOWED BY LAW, WE EACH WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY LAWSUIT, ARBITRATION OR OTHER PROCEEDING.

#### **Indemnification**

You agree to indemnify, defend and hold us harmless from any claims arising out of your actions, including, but not limited to, your use of the Service and any information you submit, post, transmit or make available via the Service, failing to provide appropriate notices regarding location-sensitive services (see "Location Based Services" section), failure to safeguard your passwords, backup question to your shared secret question or other account information, or violating this Agreement or any policy referenced in this Agreement, any applicable law or regulation or the rights of any third party.

#### **Providing Notice To Each Other Under The Agreement**

Except as the Agreement specifically provides otherwise, you must provide us notice by calling or writing us as instructed on our website. We will provide you notice through one or more of the following: correspondence to your last known billing address, to any fax number or e-mail address you've provided us, by calling you on your Device or any other phone number you've provided us, by voice message on your Device or any other phone number you've provided us, or by text message on your Device.

### Other Important Terms

Subject to federal law or unless the Agreement specifically provides otherwise, this Agreement is governed solely by the laws of the state of Texas, without regard to the conflicts of law rules. If either of us waives or doesn't enforce a requirement under this Agreement in an instance, we don't waive our right to later enforce that requirement. Except as the Agreement specifically provides otherwise, if any part of the Agreement is held invalid or unenforceable, the rest of this Agreement remains in full force and effect. This Agreement isn't for the benefit of any 3rd party except our corporate parents, affiliates, subsidiaries, agents, and predecessors and successors in interest. You can't assign the Agreement or any of your rights or duties under it. We can assign the Agreement. You cannot in any manner resell the Services to another party. The Agreement and the documents it incorporates make up the entire agreement between us and replaces all prior written or spoken agreements. You can't rely on any contradictory documents or statements by sales or service representatives. The rights, obligations and commitments in the Agreement that, by their nature, would logically continue beyond the termination of Services (including, but not limited to, those relating to complaints, payment, E911, dispute resolution, no class action, no jury trial), survive termination of Services.
