Re: hearing Friday, May 13 at 10 a.m.

Dear Judge Jones:

I am so sorry, but I have to ask for another postponement. I have another assignment and must leave immediately. Is it ever possible to have a hearing on Saturday? I also was wondering if there is someone from the gas company who would be knowledgeable in knowing how to resolve this.

I am sorry to ask for another postponement. Last month on the day I was out of town there were two messages left on my phone by the gas company. Her words were not distinct so I could not make out who called. I don't know why she would have called on the day I was out of town. I would have liked to talk to her, but she never called back.

In any case, I promise I won't ask for another delay. I would appreciate one more hearing date.

Thank you,

*Diane M. Fiske*
