To whom it may concern:

This letter is in regard to my dismissed application due to not receiving proper documentation. I had requested on two different occasions that my insurance company send the proper documentation, which apparently they have failed to do. I have been in contact with them again and have been assured that they have taken appropriate steps to get you the information requested.

I am respectfully requesting that you rescind the dismissal of May 6, 2011 and continue processing the request for authority file # A-2011-2225642.

I appreciate your attention and cooperation in this matter.

Respectfully,

William W Harvey
