**Supplement No. 45 to Tariff Electric – PA. P.U.C. No. 24
Duquesne Light Company Consumer Education Plan for 2008-2012
Docket No. M-2008-2032278**

Dear Secretary Chiavetta:

Enclosed for filing please find an original and eight (8) copies of replacement Page No. 2 and replacement Page No. 80 to Supplement No. 45 to Duquesne Light Company's Tariff Electric, PA. P.U.C. No. 24 issued March 31, 2011, to become effective June 1, 2011. This filing is merely to correct a ministerial error in the earlier tariff pages sent to you on March 30, 2011. Specifically, language in the header on Page No. 80 incorrectly stated that it was the "Seventh Revised Page No. 80; Cancelling Sixth Revised Page No. 80." The language in the header has been corrected to read as "Eighth Revised Page No. 80; Cancelling Seventh Revised Page No. 80."

The Commission approved Supplement No. 45 by Secretarial Letter dated May 19, 2011 in this proceeding. It is Duquesne's belief that the Commission does not need to do anything further other than to incorporate these replacement pages into the Duquesne tariff.

We apologize for the inconvenience. If you have any questions regarding this corrective filing, please feel free to contact me.

Sincerely yours,

Gary A. Jack
Assistant General Counsel

The Consumer Education Surcharge (“CES”) is instituted as a cost recovery mechanism to recover the costs associated with implementing the Company’s Consumer Education Plan. The CES will be recomputed annually and filed, to be effective June 1 of each year, unless the new rate is such a small change as to warrant no change in rates. The CES shall be applied to all customers’ bills. The CES process will reconcile actual consumer education costs with revenue billed in accordance with this Rider.

The CES, calculated independently for each customer class in this Tariff, shall be applied to all customers served under the Tariff. The CES shall be determined in cents per month in accordance with the formula set forth below and shall be applied to all customers served during any part of a billing month:

$$CES = [(((CE - e) / (C * 12) * 100)] * [1 / (1 - T)]$$

- Where **CES** = Consumer Education Surcharge, a fixed charge in cents per month, to be billed to each customer served under the applicable Tariff rate class.
- CE** = Projected annual consumer education costs in dollars for each customer class for the filing year.
- C** = Projected average number of customers per customer class for the filing year.
- e** = The net overcollection or undercollection of the consumer education program costs as computed for each customer class as of the end of the reconciliation year.
