Re: U.S. Gas & Electric, Inc. d/b/a Pennsylvania Gas & Electric ("USG&E")  
Petition to Amend Order  
Docket No.: A-2009-2121686

Dear Ms. Chiavetta:

In regards to the above-referenced matter, this correspondence serves as our Petition to Amend Order in regards to Docket No.: A-2009-2121686. On July 20, 2009, USG&E filed a License Application to operate as a supplier of natural gas supply services and a broker/marketer engaged in supplying natural gas services in the service territories of UGI Central Penn Gas, UGI Utilities, Inc., and National Fuel Gas Distribution Corporation, within the Commonwealth of Pennsylvania. On November 19, 2009, USG&E's License Application was brought before the Pennsylvania Public Utility Commission for review and approval.

Additionally, on February 12, 2010, USG&E filed an Amendment to License Application to operate as a supplier of natural gas supply services and a broker/marketer engaged in supplying natural gas services in the service territories of UGI-Penn Natural Gas and Columbia Gas of Pennsylvania, within the Commonwealth of Pennsylvania. On May 6, 2010, USG&E's Amendment to License Application was brought before the Pennsylvania Public Utility Commission for review and approval.

USG&E wishes to further amend its License Application to include Valley Energy Inc., T.W. Phillips Gas and Oil Company, Carnegie Natural Gas Company, Philadelphia Gas Works, PECO, Equitable Gas Company and The People's Natural Gas Company and therefore files this Petition together with the enclosed Certificate of Service to that effect. We have requested the necessary documentation from each utility proving that USG&E is financially fit to serve customers in the utility's territory and upon our receipt of this documentation, USG&E will provide the same to the Commission.

Finally, please note that proof of publication for the entire Commonwealth of Pennsylvania was previously submitted by USG&E to the Commission.

We kindly request that this matter is timely placed on the Commission's agenda for review and approval.

Please do not hesitate to contact Michelle Mann, Compliance Paralegal at (305) 947-7880, extension 4409, or at [mmann@usgande.com](mailto:mmann@usgande.com) if you should have any questions regarding the enclosed.

Sincerely,

Doug Marcille  
Director, CEO & President

Enclosure:

**After printing this label:**

1. Use the 'Print' button on this page to print your label to your laser or inkjet printer.
2. Fold the printed page along the horizontal line.
3. Place label in shipping pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

**Warning:** Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional billing charges, along with the cancellation of your FedEx account number.

Use of this system constitutes your agreement to the service conditions in the current FedEx Service Guide, available on fedex.com. FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$500, e.g. jewelry, precious metals, negotiable instruments and other items listed in our Service Guide. Written claims must be filed within strict time limits. see current FedEx Service Guide.
