Re: Energy Services Providers, Inc. d/b/a Pennsylvania Gas & Electric ("ESPI")
Petition to Amend Order
Docket No.: A-2010-2212421

Dear Ms. Chiavetta:

In regards to the above-referenced matter, this correspondence serves as our Petition to Amend Order in regards to Docket No.: A-2010-2212421. On November 29, 2010, ESPI filed a License Application to operate as an electric generation supplier and aggregator in the electric distribution company service territories of Allegheny Power, Duquesne Light Company, PECO Energy Company, PPL Electric Utilities, Inc., Pike County Light & Power Company, and UGI Utilities, Inc., within the Commonwealth of Pennsylvania. On May 5, 2011, ESPI's License Application was brought before the Pennsylvania Public Utility Commission for review and approval.

ESPI wishes to further amend its License Application to include Met-Ed, Penelec, Penn Power, Citizens' Electric Company and Wellsboro Electric Company service territories and therefore files this Petition together with the enclosed Certificate of Service to that effect.

Finally, please note that proof of publication for the entire Commonwealth of Pennsylvania was previously submitted by ESPI to the Commission.

We kindly request that this matter is timely placed on the Commission's agenda for review and approval.

Please do not hesitate to contact Michelle Mann, Compliance Paralegal at (305) 947-7880, extension 4409, or at mmann@usgande.com if you should have any questions regarding the enclosed.

Sincerely,

Doug Marcille
Director, CEO & President
