Dear Administrative Judge Angela T. Jones:

Concerning my request for a postponement of a hearing May 13, as you know I wrote a letter to your Harrisburg office dated May 3 and then realized later in the month, May 9, that I should have sent a copy to the Philadelphia office and sent a copy there. This is why the second letter you received later in May had two addresses. I received a call on my home phone from Laureto Farinas Esq. when I returned home from Atlanta and called. This is the second time he called the date of the assigned hearing during which time I had stated that I would not be home.

I also received the enclosed note from Laureto Farinas who obviously didn't realize the letter to which he referred was a copy of the original letter sent to your Harrisburg office. He also did not acknowledge the fact that I had tried to call him and that I said I indeed would be interested in a discussion to figure out what went wrong and how to work things out. This is another reason, in addition to my not being present in Philadelphia, May 13, for my asking for a postponement.

Once again, I would in fact like to request a postponement and, as I stated in my original letter, would be interested in an evening or weekend date.

Thanks in advance for your consideration.

J. Diane Fiske

Cc: Laureto Farinas.
