To whom it may concern,  
I am with drawing my complaint  
against The Philadelphia Gas Works.  
My reason is that I was informed  
that although a Lien has been  
placed upon my property at  
421 N. 61st Street Phila Pa. 19151,  
The person who has a right to  
bring a complaint against  
the Gas works is my grandson  
Jamal Tynes who lives at the  
address and is responsible for the bill  
payments.

Sincerely  
Rochele R. Tynes
