Dear Mr. Palmese:

We are pleased that PALMco Energy ("PALMco") is providing Natural Gas Supply Service on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, PALMco is required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. We have determined that PALMco has satisfied this bonding and other financial security requirement to provide Natural Gas Supply Service to Columbia Gas customers. This was conditioned on the receipt of a deposit from PALMco in the amount of \$3,000. We are acknowledging receipt of such deposit, and through this letter, Columbia Gas is notifying PALMco that it currently meets Columbia Gas' bonding or other financial security instrument requirement under paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas.

If the creditworthiness circumstances or Columbia Gas' exposure to PALMco change in the future, Columbia Gas might deem it appropriate to require PALMco to increase the deposit or provide a bond or other financial security instrument.

In the meantime, please feel free to contact me at 614-460-6841 if you have any questions now or in the future regarding the bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Michele Caddell
