Re: Security Requirement Bond for Palmco Energy

Dear Mr. Moser:

Philadelphia Gas works (PGW") is aware that Palmco Energy has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, Palmco Energy must furnish acceptable security to each utility where Palmco Energy will do business. As such, under its tariff, Philadelphia Gas Works could require Palmco Energy to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that Palmco Energy intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, Palmco Energy will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, Palmco Energy does not need to post a bond or other form of security to operate in its service territory. If the services provided by Palmco Energy should change, Philadelphia Gas Works reserves the right to require security from Palmco Energy as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at (215) 684-6899.

Sincerely,

A handwritten signature in black ink, appearing to read "Douglas A. Moser". The signature is written in a cursive, flowing style.
