RE: Application of Interstate Gas Supply, Inc.; Docket No. A-2011-2228643;  
Amendment to Electric Service Application to Add Service Territories of  
PPL and Duquesne Light.

Dear Secretary Chiavetta:

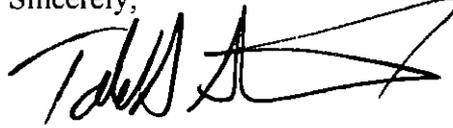

By Order entered May 20, 2011, the Pennsylvania Public Utility Commission ("Commission") approved the Application of Interstate Gas Supply, Inc. ("IGS"), at Docket No. A-2011-2228643, to provide electricity or electric generation services to the public in the service territory of PECO Energy Company ("PECO"). As part of its original application, IGS published notice of the application in newspapers covering the service territories of both PECO and PPL (Harrisburg Patriot News, Williamsport Sun-Gazette, Scranton Times and Philadelphia Daily News). IGS would like to amend its authority to allow for the provision of service in the service territories of PPL and Duquesne Light. As noted, IGS has already published notice of its application in newspapers covering PPL's service territory. IGS will publish the notice of its application in the Pittsburgh Post-Gazette, which covers the service territory of Duquesne Light, and will file with the Commission a Proof of Publication Affidavit from the Pittsburgh Post-Gazette as soon as it is received.

As noted on the attached Certificate of Service, copies of this letter have been mailed, via First Class Mail, to PPL and Duquesne Light.
