To All Parties,

**PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU**

This is an official Exceptions letter of the decision made for case F-2010-2206523 – William L. Jamison v. PECO Energy Company.

I am officially requesting another hearing. I was unable to attend due to personal reasons that will be supplied if requested. On the day of the hearing at approximately 1200 hours EST I contacted the PUC (Christine Williams, 717-787-5633) to inform them of why I was not in court and was given the contact information of Judge Cynthia William Fordham. When I contacted the Judges office (Morriner Govan, 215-560-3133) they informed me that I had to ask PECO if they were ok with rescheduling the hearing. When I contacted the PECO console (Tishekia Williams, 215-841-6841) they denied my request. Then contacted the Judges office again and was told to wait until I got the decision in the mail and then appeal (Morriner Govan, 215-560-3133).

I am appealing the decision. I will also supply the court only with the exact reason that I was unable to attend. When requested by the console I did not state the exact reason as to why I could not attend because it is a very personal issue and personal issues should not to be disclosed to a impersonal company.
