Judge Jones,

I am writing to you today regarding my case- Docket #C-2011-2219901, to be heard on July 25, 2011. I am requesting a telephonic hearing due to several medical conditions.

I wish not to be too graphic, but I have Stage 3 Rectal Cancer and have had radiation and chemotherapy treatment and surgery and then more treatment. This has left me with several unpleasant side effects. I must be near a bathroom at all times and stress makes the condition worse. I also suffer from seizures caused by the effects of the chemotherapy on my brain. They are also made worse by stress. I also have cataracts, which make it difficult for me to see. If you need verification of any of these conditions I will be happy to provide proof if necessary.

My telephone number is 610.891.6544. I hope you will be sensitive to my situation and grant me a telephonic hearing.

Respectfully,

Melissa Randall

cc: Tishekia Williams, Esq.
