Dear Judge,

I am writing to Rebut your
Decision of May 16, 2011 on my
Case.

#1, I don't need to
be Educated on Proper
conducting Business And
how to Run a home. I've done
This 1981.

I am a graduate of
WILLIAMSPORT School of Commerce
1979 with An Associates Degree

(2)

So - I am very insulted
by your STATEMENTS,

I know what The intentions
of PPL is - its to annoy
people, lie to people when
possible to protect themselves
And their pocket books,

I have first hand
Experience in this as they
Set my home on fire in 1989
And it destroyed everything
Electrically here And melted
TAR BACKING on my Breaker
Box.

P.O.C. said it did not &
it did,

(3)

The Breaker Box had to be Replaced!

I'm sick + tired of This nonsense act of Their Electric utility Co.

That utility Co needs to be Educated itself on Customer ASSISTANCE, + including testing Transformer Equipment so as NOT to Set people's homes on Fire!

Getting Back to The item at hand. Yes - I feel treated. If you can't see that OR are Bugged by PPL - This P.U.C. needs to be investigated by the

(4)

Proper Authorities,

Contacting a customer once
on a single subject is
quite enough. You
do not need to torment
people over same item.
It's stupid + wasteful.

I live on \$200 @ month
Rent from a DISTANT Relative
here. I don't need anymore
headaches,

You had enough
EXHIBITS there to make a
DESCENT decision,

I did not say I did
not like that woman at
ALL. You assume that
fact.

(5)

You know what assume
does don't you.

I'm sorry - Best to be
Blunt Sometimes A PERSON
has to be Blunt to get The
Point ACROSS,

Yes - I did meet my
Burden of Proof,
Lastly, I am not
Sending 9 Copies of Anything
more to anyone else.

I am notifying The
Proper Authorities on how
you conduct Business
with Utility Council PA &
customers!

(6)

Thank you

Respectfully,

Stephanie Grayson

P.S. STEP had put me on
This program due to
financial need, I can't
keep what happened
happened to my vision.

Go Tell that to SuperShoes
They were the cause of their
entire health issue to
start with + Warren Buffet
(Wall St Darling) who
bought the chain of stores
where I was employed
for 10 years!

(7)

P.P.S. yes - yaa dare
Assume in this case -
I am a bit Angry,
And frustrated!

Yaa maybe hearing
from State or Federal
Government on how yaa
conduct business at
P.O. Co. And at P.P.L. Co.
