**RE: *Ben Walker V. PPL Electric Utilities Corporation***  
**Docket No. C-2011-2230090**

Dear Secretary Chiavetta:

On Monday, July 11, 2011 I attended a court hearing in regards to the above docket number. I am not at liberty to discuss what went on at the hearing, other than I was not please with the Judge from a professional standpoint.

On Thursday, July 7, 2011 I attended a meeting with two PPL Electric Utilities Corporation (PPL) employees and their attorney. During the conversation an Account Activity Statement was shown and discuss in regards to dates and readings. I also presented a two pages list of dates and readings that was submitted to me a few months ago by a PPL employee. When I showed those who were present at the meeting the document the PPL manager at the meeting stated that the document was not an approved Pennsylvania Public Utility (PUC) document.

Please find enclosed a one page Account Activity Statement and a two pages document that do not list a formal name.

The purpose of this letter is to have whoever is responsible for approving the meter readings documents that was sent to me be verified. If neither document meets PUC guidelines I would like to know what is missing on either document if neither document meets PUC guidelines I would like to know what is missing on either document in order to meet PUC guidelines.

In addition to the above documents I need to know the date when my complaint and PPL answer to my complaint that was prepared by PPL attorney was sent to the PA Public Utility Commission Office of Administrative Law Judge from your office.

On a personal note I will never forget when you personally call me at my home and told me that you had my file on your desk after my file was removed from the computer and eventually located by one of your employees and reinstall. In addition to being the Secretary, you are a good person. Thank you for all you have done for me.

Very truly yours,

Ben Walker
