DOCKET NO. C-2011-2249600

**PECO ENERGY COMPANY'S
PRELIMINARY OBJECTION TO THE COMPLAINT**

On July 1, 2011, Respondent, PECO Energy Company ("PECO Energy") was served with a Formal Complaint filed by Robert Dubin the principle of Joseph Lupowicz & Sons. Pursuant to 52 Pa. Code § 5.101(3) respectfully petitions this Honorable Commission to order Complainant, through its counsel, to amend its Formal Complaint to provide more specificity.

1. On July 1, 2011, Complainant filed the instant Complaint with the Pennsylvania Public Utility Commission alleging: 1) PECO provided a notice of termination for nonpayment on July17, 2011, 2) that Exelon is holding a security deposit of \$16,030.00, 2) that Complainant is entitled to a credit from "another account," 3) that the balance asserted by Exelon is at variance with its records and, 4) that the proposed termination would create a hardship. A copy of the complaint is attached as Exhibit 1.

2. PECO avers that the Complaint does not conform to the requirements of 52 Pa.Code §5.22 (a)(5). Without additional information, PECO is unable to provide a meaningful answer to the complaint.

3. A formal complaint must set forth "the act or thing done or omitted to be done" by a public utility "in violation, or claimed violation, of any law which the commission has

jurisdiction to administer, or of any regulation or order of the commission." 66 Pa. C.S. § 701; 52 Pa. Code § 5.22(a)(4).

4. Here, even if all of Complainant's statements or "allegations" are taken as true, Complainant has not stated an actionable claim.

5. PECO is permitted, required in fact, to provide a notice of termination for nonpayment, even if the proposed termination of service provides a hardship.

6. PECO is permitted to require a security deposit.

7. PECO has no knowledge of Complainant's records. The mere fact that the payment requested is allegedly "at variance" with Complainant's records is of no consequence. Without additional information about the alleged discrepancies, PECO can not provide a meaningful response to this statement.

8. PECO is without sufficient information to confirm or deny whether Complainant is entitled to a credit from another account. Complainant has a number of accounts. Complainant has not provided an account number, service address, customer name or *any* information that would permit PECO to address the alleged credit due.

9. Accordingly, PECO is unable to provide a meaningful response to these allegations. PECO is prejudiced in its ability to prepare an adequate defense to the unspecified regulatory violation by the lack of information provided by Complainant.

10. PECO notes that the Complainant is represented by counsel in this matter. Additionally, Robert Dubin, the principle of Joseph Lupowicz & Sons and signatory of the Complaint is an attorney. Accordingly the deficiencies in the pleading are inexcusable.

11. Despite, Complainant's stated willingness to pay current charges, Complainant's balance is \$52,000.14 and no payment has been made on the account since November 2010.

12. If Complainant is permitted to stay termination through use of the Commission process, it should be required to state a colorable action to maintain this complaint.

WHEREFORE, PECO Energy Company respectfully requests that your Honorable Commission order Complainant to amend his complaint to provide more specificity so that PECO may answer accordingly.

Respectfully Submitted,

4. COMPLAINT (check one)

A. In general, what is your complaint?

- I want to oppose the company's proposed rate increase.
- There are incorrect charges on my bill.
- There is a reliability, safety or quality problem with my utility service.
- I received a notice that my utility service is being terminated.
- I would like a payment agreement.
- Other (explain).

B. State the facts of your complaint.

Include any specific dates, times or places that may be important. If the complaint is about a bill, tell us about any charges that you believe are not correct. Use additional paper if you need more space. Provide copies of all relevant documents you believe will support your complaint.

On June 17, 2011, I received a notice via Federal Express that service was being terminated on June 30, 2011. No prior notice was sent to me as the landlord nor to my tenants concerning the termination of service on June 30, 2011. The balance due asserted by Exelon is at variance with our company's records. Exelon is holding a security deposit of \$16,030.00 and we are entitled to a credit from another account. We have entered into an Agreement of Sale to sell the building within the next sixty (60) days which will result in Exelon being paid in full. In the interim, we are willing to pay the current bills when due. If the service is terminated, our tenants will vacate the property and will lose the opportunity and ability to sell the building. The proceeds of sale represent the only source of funds to pay Exelon in full within the next sixty (60) days. The termination of service would be a hardship and create irreparable harm to the tenants since businesses would be interrupted and would have to relocate.

3.2.1 If not done so prior to the execution of this agreement, then promptly thereafter, Buyer (at its sole cost and expense) shall order/request a written commitment for title insurance from a reputable title insurance company of generally recognized sound financial standing with offices in Philadelphia County or Montgomery County, Pennsylvania, and as part of said request, Buyer shall request that a duplicate copy of said title insurance commitment be sent by said title insurance company directly to Seller simultaneously with its being sent to Buyer.

3.2.2 On or before the expiration of the Inspection Period (or if earlier, not later than the fifth (5th) days after receipt of the Title Insurance Commitment), Buyer shall have the right to notify Seller by written notice ("Disapproval Notice", hereinafter) of those matters that are disclosed on the aforesaid written title insurance commitment [other than (i) liens and encumbrances and (ii) the "Qualified Exceptions" referred to in §3.3, below] to which Buyer objects, said objection to be limited solely to those of said matters ("Title Defects", sometimes hereinafter) that would have a material adverse effect on the quality of the title to the Real Property to be conveyed at Closing to Buyer if and to the extent not removed or otherwise cured prior to the consummation of Closing.

3.2.3 The failure of Buyer to deliver such written Disapproval Notice on or before the expiration of the period stated above in §3.2.2 shall be deemed and considered Buyer's agreement to take title to the Real Property subject to all matters disclosed on the aforesaid title commitment other than "Removable Liens" referred to in §3.5, below. Similarly, Buyer shall be deemed to have agreed to take title to the Real Property under and subject to those matters disclosed on the aforesaid title commitment (other than the "Removable Liens" referred to in §3.5, below) that are not the subject matter of Buyer's timely delivered Disapproval Notice.

3.2.4 If Buyer shall have timely delivered to Seller a Disapproval Notice as described hereinabove, then and in that event Seller shall, by written notice ("Seller's Response Notice", hereinafter) sent to Buyer not later than the tenth (10th) day after Seller's receipt of the Buyer's Disapproval Notice, whether or not (and to what extent) Seller will cure each of the Title Defects which are the subject matter of said Disapproval Notice. Seller shall have the right and option (exercisable by written "Extension Notice" to Buyer sent not later than the aforesaid tenth (10th) day) to extend said ten (10) day response period for a additional period of time not to exceed ten (10) additional days, in which event the original ten (10) day response period set forth above shall be deemed extended to the extension date set forth in Seller's Extension Notice.

3.2.5 Seller's failure to timely send a Response Notice as aforesaid shall be deemed to constitute Seller's election to cure all of the Title Defects set forth in Buyer's Disapproval Notice. Those separate Title Defects to which Seller shall fail to respond in its otherwise timely sent Response Notice shall, likewise, be deemed to constitute Seller's election to cure said separate Title Defects.

3.2.6 With respect to those separate Title Defects set forth in Buyer's Disapproval Notice to which Seller in its timely sent Seller Response shall elect not to cure prior to the consummation of Closing hereunder, Buyer shall have the right and option, exercisable by written notice delivered to Seller not later than the tenth (10th) day after Buyer's receipt of Seller's Response to either:

3.2.6.1 Waive the aforesaid separate Title Defects and to accept title to the Real Property subject to same;; or

3.2.6.2 Terminate this Agreement, in which event the Deposit shall be returned to Buyer and the parties shall have no further rights or obligations hereunder.

Buyer's failure to timely exercise the right and option set forth in this §3.2.6 shall be deemed to be Buyer's election to waive aforesaid separate Title Defects under §3.2.6.1, above.

3.3 **Qualified Exceptions:** Attached hereto, made part hereof and marked Exhibit "3.3" is a list of those Easements, Covenants, Restrictions, Deeds and Other Similar Matters (all of which are referred to sometimes in this agreement as the "Qualified Exceptions") which to the best of Seller's information and knowledge burden and/or bind the Real Property (or portions thereof and/or certain rights therein and thereto) on the Agreement Date, the source of said Exhibit "3.3" list being the title commitment that Seller had received from its own title insurer prior to August 20, 2001, same being the date on which Seller acquired title to the Real Property. Buyer hereby agrees to purchase and take title to the Real Property under and subject to said Qualified Exceptions, subject to Buyer's right of termination at the end of the Inspection Period and to the survey process in §3.4 below.

3.4 Survey:

3.4.1 **Buyer Survey and Delivery To Seller:** At any time during the Inspection Period Buyer shall have the right to cause to be performed a land survey or "as built" land survey of the Real Property by a duly licensed and reputable land surveyor. Within three (3) business days after the date of its receipt, Buyer shall deliver to Seller a duplicate copy of the plan of survey and all accompanying materials prepared and submitted to Buyer by its surveyor.

3.4.2 **Buyer Termination Option Based on Objectionable Survey Condition(s):** In the event that (i) Buyer shall not be satisfied with any condition, matter, fact, item or thing set forth or disclosed on a survey performed under §3.4.1, above (other than any such condition, matter, fact, item or thing constituting a "Title Defect" within the meaning of §3.2.2, above) and said "condition, matter, fact, item or thing" constitutes an Objectionable Survey Condition (hereinafter defined): then and in that event, Buyer shall have the right, exercisable by written notice ("Survey Based Termination Notice", hereinafter) delivered to Buyer prior to the expiration of the Inspection Period, to terminate this agreement in which event the Deposit shall be returned

to Buyer and the parties shall have no further rights or obligations hereunder. The foregoing to the contrary notwithstanding, Seller shall have the option, exercisable by written Cancellation Notice sent to Buyer not later than the seventh (7th) day after Seller's receipt of Buyer's Survey Based Termination Notice to void/cancel the Buyer's Survey Based Termination Notice and the termination of this agreement set forth therein, provided only that Seller's Cancellation Notice shall set forth Seller's binding promise that Buyer will cure or remove the Objectionable Survey Condition(s) cited as the basis for termination in the Survey Based Termination Notice, and in such event, Seller's failure to effect said cure or remove same shall constitute Seller's breach of this agreement.

3.4.3 Objectionable Survey Condition: For the purposes of this §3.4, a matter, thing, fact or condition disclosed or set forth on the survey plan obtained by Buyer under and pursuant to the provisions of this §3.4 shall constitute an "Objectionable Survey Condition" if and only if (i) same is not a "Title Defect" within the meaning of §3.2.2, above, and (ii) if the effect of said matter, thing, fact or condition shall be to materially and substantially prevent or bar the use and occupancy of the Real Property as an office building in the same or substantially similar manner as is being used as of the Agreement Date.

3.5 Removable Liens:

3.5.1 Payment At Closing: The title to the Real Property to be conveyed to Buyer at Closing hereunder shall not be considered to have been rendered not "clear and marketable" (as otherwise required by §3.1, above) by reason of the presence of any Removable Lien if and to the extent that the title shall be insurable as described in §3.1 or §3.5.2, below. In that regard, the title shall be considered insurable even in the presence of said Removable Lien if either:

3.5.1.1 Seller shall pay (or cause to be paid) the obligation secured by (or giving rise to) said Removable Lien not later than the consummation of Closing hereunder, or

3.5.1.2 Simultaneously with the consummation of Closing hereunder, a separate escrow fund shall be described, created and funded under and pursuant to §3.5.2, below.

3.5.2 Contested Removable Liens:

3.5.2.1 Seller Election To Contest: If at the time of Closing hereunder there shall exist a Removable Lien that is the subject matter of a Seller dispute as to either the propriety, correctness or bonafides of the lien itself or the correctness of payoff amount (the "Claimed Payoff Amount", sometimes hereinafter) claimed by the lienholder to be due and payable as a condition for the removal of the lien, Seller shall have the right, exercisable by written notice delivered to Buyer at or prior to Closing hereunder, to (i) have said Removable Lien treated as a "Contested Removable Lien" under the remaining terms of this §3.5.2 and (ii) to designate what portion, if any, of the Claimed Payoff Amount shall be paid at the time of consummation of Closing. Upon the proper creation and funding of the escrow described and set forth in §3.5.2.2, below, the existence of a Contested Removable Lien shall not cause the title to be conveyed to Buyer hereunder to be rendered not clear, not marketable or not insured or insurable.

3.5.2.2 Escrow For Contested Removable Liens: With respect to each separate Contested Removable Lien referred to in §3.5.2.1, above, there shall be created at the time of consummation of Closing hereunder a separate interest bearing escrow fund in the amount

set forth in §3.5.2.3, below, same to be held in escrow either a Post Closing Escrow Holder mutually acceptable to both Buyer and Seller for the purpose of insuring the ultimate payment of that portion of the Claimed Payoff Amount that is not paid off at the time of consummation of Closing.

3.5.2.3. Amount Of Escrow Fund: The amount of money to be deposited into a §3.5.2.2 Escrow with respect to each separate Contested Removable Lien referred to in §3.5.2.1, above, shall be that sum of money equal to two hundred percent (i.e., 200% of) the portion of the Claimed Payoff Amount that is not paid off at the time of consummation of Closing, said amount of money (the "Escrow Fund" hereinafter) to continue to be held in escrow until resolution of the Seller's dispute.

3.5.2.4 Seller to Commence Legal Proceedings To Resolve Lien Related Dispute: If and to the extent not amicably resolved prior thereto, not later than the thirtieth (30th) day after the consummation of Closing hereunder, Seller shall cause to be instituted in a court of competent jurisdiction an action at law and/or in equity in which all matters and issues concerning said dispute (and all parties thereto) are to be included and Seller shall diligently and in good faith pursue said action to its conclusion by entry of a final and non-appealable judgment or decree, whereupon all sums finally determined to be due and payable shall be released from escrow and paid to the lienholder in question, with any sums remaining in escrow to be refunded to Seller, together with any interest earned with respect to the Escrow Fund to the extent not required to be paid to the lienholder.

3.5.3 Definition - Removable Lien: A lien (including, without limitation, assessment and tax liens), security interest, judgment or other encumbrance upon the title to the Real Property shall be considered a "Removable Lien" if same can be removed, satisfied, released or otherwise discharged by the payment of money.

3.6 Replacement of Title Insurance Company: In the event that Buyer's title insurance company shall be unwilling to insure the title described in §3.1, above, or Buyer's title insurance company shall be unwilling to insure title notwithstanding the existence of a Contested Removable Lien (as per §3.5.2, above), or to serve as Escrow Holder under or pursuant to the provisions of §3.5.2, above or to accept the Escrow Holder agreed to by the Parties, then in any such event, Seller shall have the right and option to elect to replace Buyer's title insurance company and/or the aforesaid Escrow Holder with another qualified title insurance company ("Replacement Title Insurer", hereinafter) that will, in fact, insure said title. A Replacement Title Insurer shall be considered as "qualified" if and only if same shall be a generally recognized multi-state or national title insurance company of sound financial standing. Buyer shall have the right to consent to the identity of the Replacement Title Insurer, said consent not to be unreasonably withheld or delayed.

3.7 Closing:

Buyer shall deliver written notice of its election to the Seller within twenty (20) days after the date upon which the Buyer receives written notice of such eminent domain proceedings. If notice of condemnation is received by Buyer and it fails to deliver said written notice of its election within said time period, such failure shall constitute a waiver by Buyer of its right to terminate this Agreement. If this Agreement is not so terminated, Buyer shall be entitled to all awards or damages by reason of any exercise of the power of eminent domain or condemnation with respect to or for the taking of the Real Property or any portion thereof, and until such time as Closing has occurred, or this Agreement terminates. In the alternative, but without limiting Buyer's right upon any default by Seller hereunder to receive the prompt return of the Deposit, Buyer may seek to enforce specific performance of this Agreement.

13.2 Buyer's Default. In recognition that Seller has removed the Real Property from the market upon the execution of this Agreement, if this Agreement is not consummated by reason of Buyer's default, Seller shall be entitled to retain the Deposit as liquidated damages for such breach as the Seller's sole and exclusive remedy.

DEFECTS (TO ROOF, SYSTEMS, ETC)

- (a) On rare occasions there have been minor amounts of water seeping through the drop ceiling in the common hallway on the second floor near Suites 217 and 215. Seller believes that those occasional leaks occurred as a result of heavy snowfall piled up over HVAC vents with seepage occurring during resulting snow melt. No water leakage has been noted as a result of recent heavy spring rainfall.

- (d) The rear façade brick wall which is the subject matter of agreement 521.
- (e) All other defects known to Seller are apparent from a visual inspection of the Twining Office Center and its grounds and therefore are not specifically listed herein.
