Effective August 22, 2011 PAETEC will be standardizing our Local 20 Number Block (DID Number Blocks) pricing to \$6.00 per month. This rate adjustment is an increase from our current tariffed rate, however due to our Customized Solution approach to services and pricing, the current tariffed rate may not be equal to the rate applied to your current invoice. Regardless of your current billed amount for the Local 20 Number Block, your price will be adjusted to the standard \$6.00 per month rate for a Local 20 Number Block.

If you have any questions, please contact Customer Care at the number listed on your invoice.
