Transmission Line Construction

PPL Electric Utilities Corporation (PPL Electric) plans to reconstruct the single-circuit Whippain-Buxmont 230 kV Transmission Line as part of its Vintage Conductor Program. The Program was developed to address aging infrastructure within PPL Electric's system. The Whippain-Buxmont 230 kV Transmission Line was constructed in 1928. This project will be located in the Townships of Salford, Lower Salford, Franconia and Towamencin in Montgomery County, Pennsylvania.

All work associated with this project will be performed within existing PPL Electric right-of-way. No additional right-of-way is required. The Whippain-Buxmont 230 kV Project will rebuild approximately 7.7 miles of single-circuit transmission line starting near Schlosser Road in Towamencin Township and end near the intersection of Morwood Road and Beltz Road in Salford Township, Montgomery County.

If you would like more information on this project, please contact PPL Electric's Kathy B. Frazier at (610) 774-3372.

On June 28, 2011, PPL Electric filed a "Letter of Notification" with the Pennsylvania Public Utility Commission (PUC), which must approve the project before work can begin. A copy of this "Letter of Notification" is available for public inspection on weekdays during business hours at the following locations:

Salford Township Municipal
Building
139 Ridge Road
Tylersport, PA 18971

Franconia Township Municipal
Building
