Re: Docket No. A-2010-2199551

Dear Secretary Chiavetta;

This letter is to inform the Commission that Discount Energy Group, LLC, due to a change in our business plan, will not be providing a renewed security bond at this time.

Discount Energy Group, LLC was granted its license on March 18, 2011. To date Discount Energy Group, LLC has not marketed any products in the State of Pennsylvania. Nor has it contracted with any electric distribution companies within the State. Therefore, there are no utility taxes due to the State.

Discount Energy Group, LLC does plan on doing business within the State of Pennsylvania in the future and would appreciate any consideration that the Commission could give, at this time, to the future renewal/reapplication of our license.

Please notify us of any further actions that might be required to allow our license to lapse with no prejudice toward re-acquiring a license in the future.

I can be reached at 717-255-0165 or by email at [pete@Discountenergygroup.com](mailto:pete@Discountenergygroup.com) if you require more information.

Sincerely,

Peter J. McCawley, CEO
