Thank you for shipping online with Fedex ShipManager at fedex.com.

Please Note

FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$500, e.g., jewelry, precious metals, negotiable instruments and other items listed in our Service Guide. Written claims must be filed within strict time limits. Consult the applicable FedEx Service Guide for details. The estimated shipping charge may be different than the actual charges for your shipment. Differences may occur based on actual weight, dimensions, and other factors. Consult the applicable [tariff](#) or the FedEx Rate Sheets for details on how shipping charges are calculated.

Michael L. R. Housley
President
The Legacy Energy Group, LLC

Michael Housley is the founder and President of The Legacy Energy Group, LLC (Legacy Energy), as well as a managing partner of Executive Energy Services, LLC. As President of Legacy Energy, Mr. Housley is responsible for managing Legacy's relationships with its key energy management clients and business partners. Mr. Housley is also responsible for planning and managing Legacy Energy's strategic growth in five primary business lines: energy procurement, risk management, information technology solutions, tariff analysis, and demand side management. Mr. Housley has negotiated venture capital/credit agreements, and expanded Legacy Energy's energy management business through an equity investment in Affiliated Power Purchasers International, LLC.

Mr. Housley has over twenty-three years of experience in the energy industry. Prior to founding Legacy Energy in 1998, Mr. Housley was Vice President of LG&E Energy Marketing (a subsidiary of Louisville Gas and Electric Company) where he managed its coal, natural gas, power, and risk management businesses in 23 states. Total revenues across the business lines under Mr. Housley's management exceeded \$300 million in 1997.

Mr. Housley received a Bachelor of Science in Chemical Engineering from North Carolina State University and his Masters Degree in Business Administration from Pacific Lutheran University in the state of Washington. Currently, Mr. Housley serves as the Power Marketing Representative on the Southeastern Electric Reliability Council ("SERC") Executive Committee. He is past Chairman of the Council of Industrial Boiler Owners' NOx Committee and is a frequent speaker at industry-sponsored seminars.

Delbert L. Roberts, Jr.
Senior Vice President
The Legacy Energy Group, LLC

Delbert Roberts is a partner and Senior Vice President of The Legacy Energy Group, LLC (Legacy Energy). Since joining Legacy Energy in 1999, Mr. Roberts has been responsible for negotiating and executing company wholesale power and transmission contracts and establishing operations systems to support wholesale power sales and purchases; training Legacy Energy staff to use the operations systems to reliably execute marketing and trading transactions; marketing Legacy Energy's consulting services to independent power and utility power development companies, energy marketing firms, retail energy customers, control areas and e-commerce system development companies; securing marketing agreements with companies and municipalities owning distributed generation resources for Legacy Energy's wholesale marketing business; executing retail supplier sales agency agreements; managing customers' retail electricity tariff rate evaluations throughout the United States and Canada; coordinating electricity supply procurement for retail electricity customers in CAISO, ERCOT, PJM, NYISO and ISO-NE; and developing and maintaining operational functionality for achieving the company's objective of excellence in business relationships.

Mr. Roberts has over thirty years of energy industry experience. Prior to joining Legacy Energy, Mr. Roberts was the Southeastern Regional Marketing Executive for LG&E Energy Marketing (a subsidiary of Louisville Gas and Electric Company) for three years where he was responsible for developing contractual infrastructure and originating wholesale energy transactions in the Southeastern United States. Prior to working with LG&E, Mr. Roberts was the Superintendent of Electric System Control for the City of Tallahassee, Florida. He managed the control and operations division of Tallahassee's 600 MW electric generation, transmission and distribution system with 20 employees and an annual operating budget of over \$40 million. Mr. Roberts' responsibilities included management of electric transmission and distribution systems operations, electric generation commitment and dispatch, energy management, load management and geographical information systems operations, wholesale energy sales and purchase transactions, transmission services sales and purchases, utility training and safety programs, relay and communications operation and maintenance, power sale and purchase contracts administration, fuels management and procurement, and energy accounting for the municipal's energy adjustment calculation

Mr. Roberts is a past Chairman of the Florida Electric Power Coordinating Group, Inc.'s ("FCG") Operating Committee and a past independent power representative on the Southeastern Electric Reliability Council's ("SERC") Engineering Executive Committee.

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

Thomas Ihrig is the Vice President of The Legacy Energy Group, LLC (Legacy Energy). He is also Secretary of Executive Energy Services, LLC (Executive Energy), an operations partner with Legacy Energy. Mr. Ihrig's principal responsibilities are following regulatory framework across the nation, modeling local distribution companies' (LDCs) tariffs, maintaining supplier relationships with energy service providers (ESPs), and commodity risk management.

Mr. Ihrig has over twenty years of experience in the energy industry. In those twenty years, Mr. Ihrig has held positions of increasing responsibility working with commercial, industrial and municipal customers, both on the retail and wholesale level. Prior to joining Legacy Energy in August of 2000, Mr. Ihrig managed the gas and electric commodities for a number of nationwide clients of CMS Energy. Mr. Ihrig has extensive experience in the regulatory arena working with State Public Utility Commissions (PUCs) in their efforts to implement a viable competitive retail electric supply market. For the past ten years, Mr. Ihrig has analyzed the unbundling of the LDCs tariffs in those states with retail open access programs and modeled savings to determine opportunities for clients.

In 1988, Mr. Ihrig earned a Bachelor of Science degree in Mechanical Engineering from Ohio State University, and in 1996, he received his master of Business Administration degree from Central Michigan University.
