Judge Jones:

I am respectfully requesting a continuance of my telephonic hearing, Docket No.: C-2011-2219901, due to an unexpected health situation. You will find attached a letter from my primary care physician, Dr. Joseph Hope, explaining the situation in more detail. Unfortunately, Dr. Hope misunderstood and thought this hearing was to take place at the Media Courthouse. If you need further clarification as to my health situation, either Dr. Hope or I may be able to provide with that information.

Thank you,

Melissa Randall

Dear Judge Jones,

Melissa Leder-Randall (4/25/1957) is currently a patient under my care. She suffers from a seizure disorder, disabling fibromyalgia, and was recently hospitalized at Riddle Memorial Hospital with a possible stroke. At this time, I do not feel she is medically ready to deal with the stress of her scheduled interview/conference later this month. If you have any further questions or concerns, please do not hesitate to contact my office.

Sincerely,

Joseph Hope, DO
