OCT 28 2011

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

THIS LEASE AGREEMENT ("Lease") is made this 1st day of August 2011, between **PPL ELECTRIC UTILITIES CORPORATION**, having its principal office in the City of Allentown, County of Lehigh, Commonwealth of Pennsylvania, hereinafter called "Lessor," and **NEW CUMBERLAND BOROUGH**, 1120 Market Street, P.O. Box 220, New Cumberland, Pennsylvania 17070 hereinafter called "Lessee."

PROPERTY LEASED

In consideration of the rents, covenants and agreements hereinafter contained, Lessor does demise and lease unto Lessee, for **recreational purposes and for use as athletic fields**, a portion of Lessor's property located adjacent to the parking lot leased to the Borough for parking at its Senior Center and accessible via Front Street, being part of Pin # 25-25-00006-406, as shown on the attached plan (the "Property").

TERM

The term of this Lease shall be for a period of one (1) year, beginning on August 1, 2011, and ending on July 31, 2012, and from year to year thereafter until terminated by either party giving to the other not less than sixty (60) days written notice prior to the end of any current lease term of its intention to terminate the same. Provided, however, that upon breach of any covenant herein specified, this Lease may be terminated upon notice as specified.

Notwithstanding the foregoing, Lessor shall have the right to terminate this Lease at any time by giving Lessee sixty (60) days prior written notice.

Notwithstanding the foregoing, Lessor may terminate this Lease if it determines, in its sole discretion, that the leased property is necessary for the business purposes of Lessor or a parent company or an affiliate company. In such case, Lessor must give Lessee six months notice of its intention to terminate.

RENTAL

Lessor and Lessee agree that no rental will be charged.

USE AND MAINTENANCE OF PROPERTY

It is understood and agreed that this Lease is made for the purpose of permitting Lessee to use the property for recreational purposes. Lessee agrees to utilize the leased premises in a good, business-like manner. Lessee agrees that it will not use or permit to be used any part of the leased premises for any purpose other than the stated purpose without first obtaining written consent of Lessor.

Lessee agrees at all times to keep the leased premises in a good state of repair, and Lessee further agrees that the premises hereby leased shall be kept clear of rubbish and debris and kept in a sanitary condition. Any failure to keep said leased premises in a good condition as stated above shall constitute a breach of this lease, in which event this lease may be terminated by Lessor in accordance with the terms herein.

Lessee further agrees, at its expense, to comply with all local, county, state and federal laws and regulations regarding the operation of its organization and Lessee also agrees to maintain the leased premises and keep the property in good condition. Lessee agrees that it shall abide by the terms and conditions of all permits, easements and other agreements that affect the Lessor's use of the property. Lessee agrees that its use of the leased premises shall not interfere with the operation of Lessor's business.

ENVIRONMENTAL

Lessee shall not dispose or release on the premises any hazardous substances on the Property, including but not limited to car oils or any other vehicle oils or fluids; diesel fluid or other petroleum hydrocarbons; batteries; asbestos; lead-based products; discarded equipment or vehicle bodies; polychlorinated biphenyls (PCB's); wood preservatives; solvents; urea formaldehyde foam insulation; pesticides or herbicides (except for home, garden, lawn or agricultural use in accord with applicable manufacturers' instructions); or any other toxic or hazardous chemicals or any other material or substance the presence of which requires investigation or remediation under any federal, state or local statute, regulation, ordinance, order, action or policy.

IMPROVEMENTS

Lessee agrees that it will make no alterations, additions or capital improvements on or to the Property without the written consent of the Lessor. Any permanent improvements to the Property made by Lessee shall, at the end of this lease term, become part of the realty and the property of Lessor, unless otherwise specified by Lessor.

WEED CONTROL

Lessee agrees to control weeds on the leased premises. Lessee further agrees to comply with all state and county laws, local ordinances and regulations regarding the customary control of weeds and vegetation at the sole expense of the Lessee and to indemnify and hold Lessor harmless from any actions, demands, costs, expenses or damages associated with the control of weeds and vegetation.

RIGHT OF ACCESS

There is reserved to Lessor, its successors and assigns, the right of access and entry upon the Property.

FIRE AND OTHER CASUALTY

Lessee shall notify Lessor at once of any fire or other casualty on the Property. Lessee agrees to notify Lessor if there is any condition in the Property that could damage the Property or harm Lessee or others. This includes any condition that can cause contamination of the Property.

If the fire or other casualty is caused by the criminal act or neglect of the Lessee, the Lessee shall pay the cost of all repairs and all other damages.

LIABILITY

Lessee shall release, quitclaim, discharge, indemnify, defend and hold harmless Lessor, its officers, directors, employees, agents, successors and assigns, from and against any and all loss, liability, demands, claims, suits, fines, penalties or causes of action whatsoever, including costs and reasonable attorney's fees, which may arise out of (i) any injury to or death of any person; or (ii) any damage to property, if such injury, death or damage caused by, resulting from, or in any way related to Lessee's or Lessee's employees or agents presence on or use of Lessor's Property, including but not limited to any claims relating to environmental damages, unless such damage or injury is caused by the gross negligence or willful misconduct of Lessor. Lessee further agrees that it shall be responsible to repair or remediate any environmental problems on or with the leased premises, without expense to Lessor, to the satisfaction of all appropriate local, state and federal governmental entities.

RISK OF LOSS AND INSURANCE

Lessee shall bear the entire risk of loss, theft, damage or destruction of its equipment on the property during the term of this lease. Lessee shall carry Public Liability Insurance in the amount not less than **\$500,000.00** and the policy shall include coverage for any indemnification obligations of the Lessee to the Lessor, with Lessor being named as an additional insured.

Lessee shall provide proof of such coverage within 10 days of the anniversary date of the Lease and within 10 days of the renewal of the required coverage.

NO ASSIGNMENT OR SUBLEASE

Lessee shall not assign this Lease or sublease the said Property or any part thereof, nor sell, nor in any manner transfer or assign its interest in the Lease without prior written permission from the Lessor. Lessee agrees that if tenant transfers this lease (assigns) or leases all or a part of the leased premises to another (sublease) without the required consent, Lessee has breached this lease in which event this lease may be terminated by Lessor in accordance with the terms herein.

SURRENDER OF PROPERTY TO LESSOR

Lessee agrees, at the termination of this Lease, whether by expiration of its term, by default or as otherwise provided that shall immediately surrender possession of the Property to Lessor. Upon termination, Lessee shall remove all of its personal property and leave the Property in the same condition as at the beginning of the lease term.

DEFAULTS

Should Lessee default in the performance of any terms, conditions, obligations, or covenants of this Lease and such default shall continue for a period of fifteen (15) days after written notice is delivered to Lessee at the address herein written, Lessor may terminate this Lease. If Lessee fails to vacate property after notice by Lessor that the Lease has been terminated within the fifteen (15) days from the date of such notice, Lessor may file the appropriate legal action for possession of the property and/or for monetary damages with no further notice to Lessee.

DISCLAIMER OF WARRANTIES

Lessee represents that it has inspected the Property to be leased and enters into this Lease based on its own inspection. Lessor makes no representations or warranties whatsoever that the property leased or facilities located thereon used are suitable for the use to which Lessee intends.

ENFORCEMENT

In any action by Lessor seeking enforcement of any of the terms and provisions of this lease, Lessor shall be awarded, in addition to other relief, its reasonable costs and expenses and reasonable attorney's fees.

TIME OF THE ESSENCE

Time is and shall be deemed of the essence with respect to the performance of each provision of this lease.

WAIVER OF DEFAULT

One or more waivers of any condition of this Lease by Lessor shall not be construed as a waiver of any further breach of the same condition, and the consent or approval of Lessor to any act shall not be deemed to waive or render unnecessary Lessor's consent or approval to any subsequent similar act by Lessee.
