An informal complaint (BCS# 002624073) filed with P.U.C. on November 25, 2009 which resulted in a hearing on October 8, 2010, at 1:00 P.M. in an 4TH floor Hearing Room at 801 Market St., Phila., Pa.

At this hearing a PECO field technician presented pictures allegedly showing evidence of, "Theft of Service," at my property, i.e., 427 W. Winona St. Philadelphia, Pa. 19144.

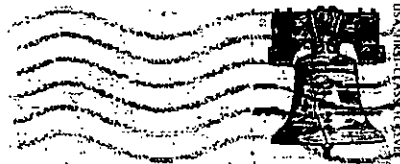

The field technician verbally alluded to finding various discrepancies, at different times, with the electric meter at my property.

The field technician could not join his pictures or verbal testimony with me or my property and all alleged evidence was inadmissible. I am asking for dismissal of all charges and allegations relating to this matter. Donald C. Leland
