Re: Joint Application of CCGI Holding Corporation, CCGI Holdings, LLC, DSLnet Communications, LLC and DIECA Communications, Inc. for approval of a pro forma change in corporate structure of DSLnet Communications, LLC and DIECA Communications, Inc. Docket Nos. A-2010-2195269, A-2010-2195270

Dear Secretary Chiavetta:

This is in reference to the above-captioned joint application for approval by the Pennsylvania Public Utility Commission ("Commission") of a change in the corporate structure of CCGI Holdings, LLC, CCGI Holding Corporation, DSLnet Communications, LLC, and DIECA Communications, Inc. ("Joint Applicants") corporate structure. This joint application was filed on August 17, 2010.

After review of the joint application, the Commission concluded in an Order adopted October 14, 2010, that "the application should be approved as a General Rule transaction under Section 63.324 of the Commission's rules".¹ The Commission's Order further specified that upon consummation of the transaction, the joint applicants should file with the Commission a notice of such consummation, together with any tariff changes that needed to be made to the tariffs on file with the Commission.²

Recently Commission staff advised counsel for the Joint Applicants that Commission records did not reflect that a notice to the Commission had been filed regarding consummation of the transaction. This is to advise the Commission that, in fact, the change in corporate structure

which was the subject of the joint application was indeed consummated as anticipated by the Joint Applicants. No changes to tariffs on file with the Commission were required by the transaction. Please consider this correspondence as satisfaction of the notice requirement established by the Commission's October 14, 2010 Order.

Thank you for staff's attention to this matter and please contact the undersigned if you have any questions.

Very truly yours,

John F. Povilaitis
