Re: Pennsylvania Public Utility Commission v. Farruggio's Bristol & Philadelphia Auto Express, Inc., Docket No. C-2010-2194273

Dear Mr. Farruggio:

I am writing in reference to our telephone conversation of morning of November 9, 2011. In exchange for submitting a current vehicle list, the complaint against your company will be withdrawn. We will do this in the knowledge that the failure to file as specified in the complaint was inadvertent and that your company will file a current vehicle list each year in the future. Also, we shall not seek payment of a civil penalty for this violation in recognition of your company's good record of compliance with Commission regulations.

Each year between December 1 and December 31 every motor carrier subject to the Commission's jurisdiction, must file a current list of all of its vehicles utilized under its operating authority. The list must contain the year, make, vehicle identification number and registration number for each vehicle. It is to be mailed to: Director, Bureau of Transportation and Safety, PA Public Utility Commission, P.O. Box 3265, Harrisburg, PA 17105. If your company fails to file the list during the specified time period in the future, Commission prosecutory staff will pursue civil penalties for the violation.

List is Attached

Please mail a copy of the list to the address immediately above and send me a copy. My address appears below. Upon receipt of the current list, I will withdraw the complaint.

Thank you.

Sincerely,

Lawrence F. Barth, Esq.
