**In re: Application of Consolidated Rail Corporation for the abolition of thirty-one crossings of the Enola Branch, LC201323, MP 3.5 to MP 27.0, Sub No. 1095X, Harrisburg Division, Lancaster County and Board of Supervisors of Bart Township v. Consolidated Rail Corporation and the Pennsylvania Department of Transportation and Commissioners of the County of Lancaster, et al. PUC Dockets No. A-00111016 and C-00913256 (Consolidated)**

Dear Secretary Chiavetta:

I am enclosing a copy of the Specifications for removal of Bridge 11.68 over Pumping Station Road, Quarryville, Eden Township, Lancaster County, PA, and the Erosion and Sedimentation Control Plan for filing on behalf of Norfolk Southern Railway Company pursuant to the requirements of Ordering Paragraph 70 of the Opinion and Order entered October 9, 1997, as amended, in the above-referenced matter.

As evidenced by the attached Certificate of Service, a copy of these documents has been served on all interested parties. Two (2) hard copies of the Specifications and Erosion and Sedimentation Control Plan will be delivered to your office as required. The Plan is being submitted in half size to the Commission and all parties.

It is my understanding that interested parties have twenty (20) days from service to lodge any objections to the removal plans. If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely yours,

Benjamin C. Dunlap, Jr.

**SPECIFICATIONS**  
**REMOVAL OF BRIDGE 11.68 OVER PUMPING STATION ROAD**  
**QUARRYVILLE, EDEN TOWNSHIOP, LANCASTER COUNTY, PA.**  
 November 10, 2011

**DESCRIPTION OF PROPOSED WORK BY THE CONTRACTOR:**

Construct access road if required. No separate payment will be made for the access road work.

Work include: Clearing and Grubbing, Erosion Control, Removal of Stone Arch Tunnel two feet below existing roadway and backfill to grade level, Excavation of embankment on both sides of tunnel on 2:1 slopes or at 4:1 and 5:1 slopes. A roadway section with ditches on both sides is shown on E & S drawings. Re-grade existing drainage ditches on both sides of Pumping Station Road for about 350' on each side and install about 120' of drainage pipes in the ditches.

Railway will engage consulting engineering services to obtain permits for drainage work. The Eden Township may request to keep the structure and if the PA PUC approves the request these works will not be required. Proposed work, if required, will be done during August 1, 2012 to November 30, 2012 after obtaining permits for drainage work.
