Re: Application of PPL Electric Utilities Corporation under 15 Pa. C.S. §1511(c) for a finding and determination that the service to be furnished by the applicant through its proposed exercise of the power of eminent domain to acquire a right of way and easement over and across the lands of Randall Clark in Lower Mahanoy Township, Northumberland County, Pennsylvania for the proposed Richfield-Dalmatia 69 kV transmission tie line is necessary or proper for the service, accommodation, convenience or safety of the public.
Docket Number A-2011-2267352

Dear Parties:

Enclosed, please find a copy of a letter dated November 23, 2011, from Paul Reed regarding the above-referenced case. There is no indication that Mr. Reed has provided a copy of the letter to you. In addition, a copy of the letter has not been docketed by the Secretary's Bureau. I am providing a copy to you since the letter could be construed as an *ex parte* communication prohibited by 66 Pa. C.S. §334(c). I will cause a copy of this letter and a copy of Mr. Reed's letter to be filed in the Secretary's Bureau.

If you have any questions about this matter, please do not hesitate to contact me.

Sincerely,

David A. Salapa
Administrative Law Judge

RE: Initial prehearing conference memoranda for December 13, 2011
Docket No. A-2011-7352
Randall Clark
701 State Route 147
Dalmatia, PA 17017

As per PA Code 52 5.71, I am requesting to participate in the above referenced as an intervenor. We are property owners adjacent to the property owned by Randall Clark, Lower Mahanoy Township, Northumberland County, PA. The new Richfield-Dalmatia 69 kV Transmission line route selected by PPL was initially to cross over a portion of our land, however, without permission of Mr. Clark, the line was moved entirely onto his property. While we share objections to this transmission line with the other land owners, this action eliminated us from any further input.

Thank you for your consideration.

Sincerely,

PA PUC
