<b>v.</b>	:

<b>Respondent</b>	:	

**REPLY TO NEW MATTER**

AND NOW this 22nd day of December 2011 comes the Bureau of Investigation and Enforcement, represented by its attorney, R. K. Smith, Jr., to file its Reply to New Matter raised in the Answer of Willow Grove Yellow Cab Co., Inc., Respondent in the complaint proceeding docketed at C-2011-2270559. The Bureau of Investigation and Enforcement submits that Respondent's request to enter judgment in its favor by dismissing the captioned complaint is not justified and should be denied by the Commission for the following reasons:

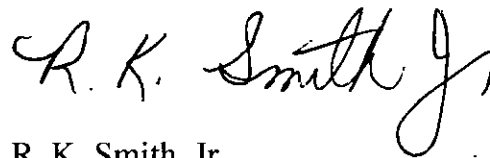

6. Denied. The assertion that certain members of Commission staff may have been aware of the various vehicles the carrier was operating in its fleet did not bring Respondent into compliance with 52 Pa. Code Sections 29.314(c) and 29.333(d). To the contrary, 52 Pa. Code Sections 314(c) and 29.333(d) specifically provides that vehicles

lists must be filed with the Director of the Commission's Bureau of Transportation and Safety; now the Manager of the Inspection Division, Bureau of Investigation and Enforcement. The enforcement responsibilities formerly exercised by the Bureau of Transportation and Safety were transferred to the Commission's newly constituted Bureau of Investigation and Enforcement in August of 2011.

7. Denied. 52 Pa. Code Sections 314(c) and 29.333(d) put all call or demand carriers and limousine operators on notice that between December 1 and December 31<sup>st</sup> of each year the Commission was to be provided with a current list of all vehicles being operated under certificated carriers call or demand or limousine authorities. The regulation is quite clear that these respective vehicle lists must be mailed to Harrisburg to the specific attention of the Director of the Bureau of Transportation and Safety, now the Manager of the Inspection Division of the Bureau of Investigation and Enforcement. Even if Respondent did provide vehicle lists to Enforcement Officers in the field in order that they could perform annual fleet inspections, this fact would not absolve Respondent from the additional requirement of submitting vehicle lists to the Commission in Harrisburg between December 1 and December 31<sup>st</sup> of each year. The 52 Pa. Code requirement that regulated carriers forward vehicle lists to Harrisburg each December became effective in August 2006. Moreover, Respondent was well aware of this vehicle list filing requirement because it submitted the mandated list to Harrisburg in 2009, attached hereto as Exhibit "A".

AND NOW, in consideration of the foregoing, the Bureau of Investigation and Enforcement respectfully requests that the Respondent's request for the Commission to enter judgment in its behalf by dismissing the captioned complaint should be denied.

Respectfully submitted,

R. K. Smith, Jr.
