Dear Judge Fordham,

As a follow-up to my request for an extension of time to submit Respondent's Brief in the above matter, I received in the mail today a copy of the Commonwealth Court's decision in Sawink, Inc. v. Philadelphia Parking Authority, which we discussed during the hearing in this matter and which may have an impact on the issues presented in this case. I would like an opportunity to review the decision and address it in my brief, but I have not had sufficient time to review and analyze it. I spoke to Ms. Wushinske and she is agreeable to my request for 30 days, instead of 10 days, so that the parties may have an opportunity to address this case in their briefs.

Of course, we would request that you take into account the time frame for the Bureau to respond to any brief submitted on the extended schedule if you grant our request.

Thank you for your attention and patience with regard to this matter.

I have attached a copy of the decision for your review and the Bureau's review.

Respectfully,

Michael Henry  
Attorney for Respondent  
Germantown Cab Company
