RE: Hearing C-2011-2247078

Dear Ms. Barnes,

I am writing to request a change in the telephone hearing. Due to my failing health and upcoming surgery I will not be available until sometime in March.

In addition I had requested copies of our bills from the last 24 months and never received them. We would appreciate copies of the bills themselves. We also are requesting the names of the PPL employees that were at our home on two separate occasions. The name of the woman who removed our meter and advised us that the meter had not worked properly for over a year and the name of the man who was here and confirmed the same. We have them on our security tapes but cannot hear the names as clear as the rest of the conversations.

I appreciate in advance your help in this matter I will be in touch later in February early March after I am released with information for the case I look forward to hearing from you

Sincerely

  
Mrs Gregory E Dewey  
cc: Kimberly Krupka Esq
