Re: Ronald Black v. PECO Energy Company
C-2011-2266968

Ladies and Gentlemen:

This is to advise you that I am hereby withdrawing my complaint. My feelings about PECO and the PUC have not changed. I place most of the blame on the PUC for abandoning over 186,000 RH users.

However, PECO must share some of the blame for turning their backs on all RH users who will suffer harsh financial burdens due to excessive distribution charges.

PECO and the PUC are too big for someone like me to expect to win. It's a waste of money and time.

Very truly yours

RONALD H. BLACK
