Administrative Law Judge Angela Jones

Philadelphia, PA. 19107

Dear Judge Jones,

**Subject: Realty Associate Fund v. PECO Energy Company**

PECO has recently replaced the faulty underground cables feeding 2530 Pearl Buck Road.

The frequent disruptive power outages have subsided for now.

Although, the cost of the disruption in electric service was significant, it is not in the best interests of Realty Associate Fund to expend additional time and money on this matter. Please close this case on behalf of Realty Associate Fund.

Respectfully,
