Re: Jeffrey Stump vs. PPL Electric Utilities Corporation  
Docket No: F-2011-2279149

Dear Mrs. Chiavetta,

I just received a copy of a response from Kimberly Krupka. From Gross Mcginley, on behalf of PPL Electric Company.

Paragraph 4b. Stating PPL offered to ad my name to service as additional rate payer.

This statement is not true myself nor my son agreed to this, when I did speak to PPL they stated to me they could not and would not give any information about this account except for amount due because I was not on the account and was not authorized. They also stated they were not permitted by law to give out this information without the account owners authorization.

This answered can be verified by a lie detector.

I deny this and hope they can verify this with evidence.

I am not responsible and was not at any time for this account and they are threatening to shut my electric off and stating complete balance must be paid by me.

Yours Truly,
