SECRETARY'S BUREAU

Dear Judge Fordham:

Please be advised that my office has just been retained to represent Sheila Presberry in the above referenced matter, scheduled for January 30, 2012, at 10:00am. I have not yet had the opportunity to review the numerous documents Ms. Presberry brought to my office, nor have I been able to discuss this matter with Laureto Farinas, Esq. I also anticipate there may be more documents we may be inclined to request from Mr. Farinas, and there may also be additional records needed from Ms. Presberry. Due to the late stage of our retention in this matter, and so we can adequately be prepared for a hearing in the event we're unable to settle this matter, we respectfully request a continuance to a later date. On an additional note, my client has also informed me she has been called out of town for the weekend, and does not anticipate a return to the area until sometime next week. I have left a voicemail for Attorney Farinas in regards to this as well, and I have not yet heard back from him with any opposition to a continuance. In light of the above, we hope you are able to consider our request. Thank you for your consideration in this matter.

Very Kindly Yours,

Adam M. DeJohn, Esq.
