Dear Mr Chiavetta,

I wanted to write you because the recent filing was not against P P & L.

When P.U.C. representative made the decision on the budget of \$129.00 Plus \$44.00 p.e mth., she called and told me of this I said to her that we cannot pay this every mth we cant afford it. So after I received the letter from P.U.C. I called P P & L and was told that I had to get back in touch with the P.U.C. because it was their decision. So I called the P.U.C. back and was told I had to file for a hearing and or arbitration with the P.U.C. on getting the budget dropped off. That is all I intended for. This was not against P P & L. They have been very good to me and trying to help.

at this point and time we are trying to barrow money where ever we can to pay the over due balance off. Or when we file our income tax refund if enough pay P P & L the past due amount off.

All we wanted is to ask P U C to take the budget of \$129.00 off. This last filing was not against P P & L. It was to change the P U C decision only.

Thank You,  
Judith Davidson
