Re: Pennsylvania Public Utility Commission, Bureau of Investigation  
and Enforcement v. Philadelphia Gas Works;  
Docket No. C-2011-2278312

Dear Secretary Chiavetta:

On February 6, 2012, we filed on behalf of Philadelphia Gas Works (PGW), its Answer to the Formal Complaint (Public Version) with regard to the above-referenced matter. Enclosed is a corrected packet of the Exhibits (Public Version) to correct errata and redact some potentially proprietary information that was inadvertently left in the public version. We have also included a redacted version of Exhibit 30, whereas, previously, we had completely excluded the document from the public version.

Please replace the existing version of the Exhibits accompanying PGW's Answer with this revised version. If you should have any questions, please do not hesitate to contact me.

Very truly yours,

Daniel Clearfield
