Re: Grace Jeffries v. Peco Energy Co
PUC Docket # C-2012-2282995

Please be advised that I would like to make a reasonable agreement of payment to avoid shut-off. I have been financially strapped for a while now. I understand there was a forgiveness program that took place in 12/2011. I believe I was eligible for this program but was never contacted. In the beginning I was put on the CAP Program at my previous address. There are litigations going on through my lawyer over Domestic issues. That party is currently living there and is being taken to court for the balance of this account. I am trying to respond in a timely fashion as requested. Please contact me about the next steps. Trying to get help w/outside agencies.

Thank You

Grace Jeffries
